

KBPK Buena Park, 90.1 FM  
Quarterly Statement of Community Issues  
July 2019 - September 2019

KBPK is a non-commercial radio station. The station airs between thirty (30) seconds to two (2) minutes of public service announcements every hour. This amount of public service happens in all but six (6) hours of our weekly programming.

During those hours, KBPK runs the following long-form public affairs programs including Environmental Directions and Orange Voice.

The following pages will give greater detail on what this station did to serve the public in our listening area.

You may also want to look at The Public And Broadcasting, a document prepared by the Mass Media Bureau of the Federal Communications Commission. A copy is located online in KBPK's Public File.

Underwritten Public Service Announcements

No area business underwrote public service announcements during the quarter.

News

Beginning in September, KBPK aired twenty locally produced newscasts each week.

## KBPK Buena Park, 90.1 FM Public Affairs Programming July 2019 - September 2019

This station devotes 6 hours to long form public affairs programming each week. Those programs are described below.

### Environmental Directions

United Nations Environment Programme Global 500 Laureate, award-winning host Nancy Pearlman travels worldwide to talk with people concerned with protecting our environment. Environmental Directions covers the world's ecological problems and solutions. Each show has informative interviews with experts and activists.

The series received the "Best of the West" Special Merit Award from the Western Educational Society for Telecommunications. Selected programs are available on websites including iTunes and radiofreeworld.com. The shows air on Friday at 6:00pm , Saturday at 5:30am, and Sunday at 9:00pm.

### Orange Voice

This weekly show half-hour is produced and hosted by Fullerton College students and staff of the radio program. Interview based program with people making a difference in our community. Aired every Friday night at 6:30pm during the quarter.

### Special programming in the Public Interest

#### "Innovation Now"

Written and produced by the National Institution of Aeronautics with support of NASA's Office of the Chief Technologist. Episodes explore people processes and inventions that benefit us and impact the world.

Airs Monday-Friday @ 11:20am

#### "BirdNote"

Stories about birds, the environment and more connects the ways and needs of birds to the lives of listeners. BirdNote began as a project of the Seattle Audubon.

Airs Monday-Sunday @ 12:20pm (90 seconds)

#### "Family Minute"

Daily encouragement for families.

Airs Monday-Saturday @ 3:20pm (2 minutes)
