

QUARTERLY ISSUES AND PROGRAMS

KTUZ-FM 106.7FM

JULY - SEPTEMBER 2022

The license of KTUZ-FM has determined the following issues are of importance to the community:

1. Interview with Carmen Romo with Integris Health

July 13, 2022

Carmen talked about the mobile clinic on July 22nd from 10am-1pm at Emmanuel Baptist Church. During the care clinic, free health screening such as glucose, cholesterol, blood pressure, body mass index, and mammograms will be provided. In addition, COVID-19 and flu vaccines will be offered to those who are interested. Health and wellness information and resources will also be available to those who attend.

2. Interview with Dora Evans Latino Community Development Agency

August 10, 2022

Dora talked about the Sunbeam's early childhood programs and foster care. In addition, she invited the audience to their resources festival where different local organizations provided information about their free services to the community. Further, free vaccines would be offered at the event held on August 27th from 4pm-7pm.

3. Interview with Carla Ponce with OU Health Stephenson Cancer Center September 8, 2022

Carla invited the community to the event Wellness Fiesta held on September 10, 2022 from 10am-2pm at South Walker Church of Christ. Activities like dance classes, cooking demonstrations, free produce, free vaccines and more were offered. Information and resources were also provided.

4. Interview with Carla Ponce with OU Health Stephenson Cancer Center

September 22, 2022

Carla talked about a free community event called Pizza and Prostates. The event will be held today at Metro Technology Center -Metro STEM Academy. She mentioned September is National Prostate Cancer Awareness Month and Lynn Institute and other community partners would be promoting the importance of men taking care of their health. Free PSA screening, cholesterol, glucose, free colorectal cancer screening test kits, blood pressure and diabetic eye screening will be offered. The event will be held today from 5:30pm-7:30pm.
