WQYZ
Quarterly Issues/Programs List

WQYZ provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- Our Biloxi cluster teams up with the Humane Society of South MS each week to create a "Pet of the Week" video which goes up on our station websites and is promoted on-air to help shelter animals find their forever homes.
- The Anniversary of one of the worst disasters to strike our country, let alone our coast, is August 17th. Hurricane Camille devastated entire communities along the coast. We took a look back through local newscasts, and touched on Katrina as well, as we gave listeners tip on what they can do to limit the damage from major hurricanes.
- Aug. 14th our own Walter Brown and local TV news personality Rhonda Weidner teamed up to emcee the "Making Strides Against Breast Cancer Breakfast". This is a kickoff for the Making Strides again Breast Cancer walks in October, all of them fundraiser for The American Cancer Society of the MS Gulf Coast

Section I
LOCAL PROGRAMMING

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
