WQYZ
Quarterly Issues/Programs List

WQYZ provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

Issue: Breast Cancer Awareness Duration: 2 hours Our stations emceed the "Making Strides Against Breast Cancer" Breakfast that leads up to the Making Strides Against Breast Cancer Walk on the Biloxi Town Green Oct 20th. The breakfast is an opportunity for volunteers to find out how they can become a team captain for the walk, raise money for the American Cancer Society, and take advantage of the services offered by the ACS in regard to breast cancer.

Issue: At risk youth Duration: 2 hours

Our stations ran PSA's and did a live broadcast from this event Sep 11 from 5:30-7:30pm, and also had them guest on "Gulf Coast Issues":

Superheroes for CASA: A recruitment rally for Jackson County CASA, Inc.

Jackson County CASA, Inc. was established in 1985 and has been an agency of United Way for Jackson and George Counties since 1999. We are Court Appointed Special Advocates (CASA) for the abused and neglected children of Jackson County. CASA is a volunteer-powered network of committed people, from all walks of life, who believe society has a fundamental obligation to these children. With a CASA volunteer, a child is half as likely to languish in the foster care and child welfare system, and that much more likely to find a safe, permanent home away from the bruises of abuse.

On September 11th, we will host a Recruitment Rally at the Blossman Family YMCA, 1810 Government Street, in beautiful Ocean Springs. [This event will be open to the public!](#) Our Superhero and guest speaker for the evening will be the Honorable Sharon W. Sigalas, presiding Judge for Jackson County Youth Court. She will be joined by a team of "Superheroes" in support of our mission. Her team will be disguised as our esteemed MAYORS from each city here in Jackson County.

Issue: Childhood Cancer Duration: 2 hours : Our stations participated in the Bricks and Sticks Event at the Lynn Meadows Discovery Center in Gulfport. On Sep. 19 from 6-8pm we participated in an event designed to help locals learn how they can participate in the upcoming St. Jude Dream Home Giveaway, an annual event that helps raise money for The St. Jude Children's Research Center, which treats childhood cancer. No St. Jude family event spends a cent out of their own pocket. We also ran PSA's leading up to the event.

**Section I
LOCAL PROGRAMMING**

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.
