Quarterly Issues/Programs List

WQYZ provides its listeners with programming and public service announcements that address issues of concern to our local community. Among the issues determined to be of most concern to the community during the preceding calendar quarter were:

- **Hunger:** Interviews with several of the local food pantries along the coast leading up to Thanksgiving and into the Christmas Holidays
- **Health:** With worries about the possibility of an ebola outbreak continuing, we kept our listeners informed through both interviews and news stories
- **Domestic Violence Prevention:** We covered both domestic violence prevention with the Gulf Coast Women's Center for Nonviolence, and a human trafficking ring in our state that was put down by police.
- **Christmas for the coasts needy:** We checked in with the Salvation Army and other organizations as Christmas approached, letting our listeners know how they can help to ensure no needy child in the area goes without a Christmas.
