CHILDREN'S PROGRAMMING CERTIFICATION THIRD QUARTER
July 1, 2017 Through September 30, 2017)

This is to certify that the list set forth below identifies all programs and series aired by Three Angels Broadcasting Network, Inc. during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by Three Angels Broadcasting Network, Inc. as the official responsible for oversight of compliance with the FCC children's programming commercial limits and I am familiar with the regulations.

See attached LMS form 2100 of the third quarter filing with the list of children's programs run during the calendar year.

I hereby declare under penalty of perjury that the foregoing is true and correct.
Executed this 2 nd day of October, 2017.

Sincerely,

Danny Shelton

Re: AETN Networks — Certification of Compliance with Children’s Television Act of 1990, Closed-Captioning Programming Laws, and Video Description Programming Laws
3rd Quarter 2017 — July 1, 2017– September 30, 2017

To Whom It May Concern:

This letter shall serve as certification under the Children’s Television Act of 1990 (the “Act”) that for the respective quarter ended September 30, 2017, A&E Television Networks, LLC (“AETN”) has been in compliance with the Act with respect to all of its networks (including in high definition).

This letter shall also serve as certification that AETN has been in compliance with the following programming laws with respect to its programming services for the quarter ended September 30, 2017: (i) the closed-captioning requirements set forth in Section 79.1 of Title 47 of the Code of Federal Regulations, including Section 79.1(j)(2), and (ii) with respect to “History” and subject to the paragraph below, the video description requirements set forth in Section 79.3 of Title 47 of the Code of Federal Regulations.

AETN recently became aware that for Q3 2017 the requisite number of hours of video description programming aired on History during the quarter, but a scheduling issue resulted in some of the video described hours falling outside Nielsen-defined prime time at 11pm to midnight. The timing of the discovery of the scheduling error prevented AETN from being able to remedy to be in compliance with the video description requirements for Q3 2017 but will be addressed on a going forward basis.

A&E Television Networks, LLC is dedicated to providing the best programming and customer service possible. I can be reached at (212) 210-9110 or via email: pamala.steward@aetn.com with any questions or concerns. We thank you for your business and wish you continued success.

Re: Certificates of Compliance for the Children's Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 3rd Quarter 2017. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

- 1. Go to the Turner Resources web site at www.TurnerResources.com. [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage for TurnerResources.com, you will find the Children's Television Programming certificates of compliance by clicking on a "link" called "FCC Compliance."**

FOR CHILDREN'S PROGRAMMING**

I, Toni Millner, in my capacity as Assistant General Counsel and Vice President – Kid Vid Compliance for Turner Broadcasting System, Inc. (“Turner”), hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from July 1, 2017, to September 30, 2017:

- 1) I am familiar with the statutory limits of the Children’s Television Act of 1990 (the “Act”) and the FCC regulations implementing those limits (no more than 12 minutes per hour of commercial matter may be telecast during children’s programming* on weekdays, and no more than 10 ½ minutes per hour on weekends).
- 2) Turner treated all of the programs telecast on Cartoon Network, a leading ad-supported cable television network, as “children’s programming” for the purposes of the commercial limits set forth in the Act except for its telecast in the “Adult Swim” block of programming created for an adult audience that airs late night seven days a week.** On a weekly basis, therefore, approximately 98 hours of television programming were treated as “children’s programming” for the purposes of the commercial limits set forth in the Act.
- 3) Turner has, as a standard practice, formatted and telecast all of the programs carried on the Cartoon Network during the period noted above within the commercial limits set forth in the Act, to the extent applicable to the programming.
- 4) To the best of my information, knowledge and belief, there were no instances in which the commercial limits were exceeded during the period noted above.
