**\*\* At the Smithfield Library:** While the library is closed, they are now offering curbside hold pick-up services for their patrons - Monday through Friday from 12:00 pm to 2:00 pm. Holds must be picked up within 48 hours after you are informed they are ready!! For details and/or any questions check their facebook page, twitter, or call 435-563-3555

**\*\*Students in the Logan City School District** are able to **pick up lunch** at each elementary school. Students are welcome to pick up a lunch at the school that is geographically closest to their home. Mount Logan Middle and Logan High students are also welcome to pick up a lunch at the closest geographic school. Students must be present to obtain a lunch. This is a drive-through grab-and-go service. Parents and students should not plan to remain at the school to eat. Pick up times are 10:00 am - 11:00 am each day. This service will not take place during Spring Break. For more information: <https://www.loganschools.org/grab-n-go-lunch-procedures>

**\*\*The Logan Landfill** will remain open to the public during the COVID-19 outbreak but they will maintain recommended social distancing to protect the health and safety of everyone. Until further notice, all transactions at the Logan Landfill and Transfer Station Scalehouse will be conducted over the telephone and we will not be accepting cash payments. When dropping material at the Landfill or Transfer Station, residents will need to call 435-716-9777 and press "0" as they pull up to the scales to speak with an attendant and make a payment.

**\*\*Before visiting one of Intermountain Health Cares' testing locations**, please call the COVID-19 Hotline at 844-442-5224. Calling ahead allows a medical professional to assess your symptoms over the phone and determine if you should be tested for COVID-19. To test whether or not you have COVID-19, a sample will be taken by swabbing deep inside your nose or throat, which can be uncomfortable or even painful. These samples are tested at an offsite location, and results may take several days to process before you can learn of your results. Because there is currently no treatment for COVID-19 (other than helping alleviate symptoms), a positive test – especially for normally healthy individuals – will likely result in a requirement to stay home and self-isolate for a period of two weeks. **Local testing sites include:** North Cache Valley InstaCare, 4088 N HWY 91, Hyde Park / hours are 9 a.m. to 5 p.m.....also the Bear River Clinic, 935 N 1000 W, Tremonton - Mon-Fri: 9 a.m. to 5 p.m. and Sat: 9 a.m to noon.

**\*\*Curbside green waste collection** (green can) has started. Please do not overfill your cans or place materials on the ground outside of your can. To sign up to have a green can at your home for an extra \$5 a month, please call the office at 435-716-9755. They would like to remind residents that green waste cans are designed for green waste materials only, including: grass, leaves, small branches, and general yard waste less than 4' in length. No garbage, rocks, dirt or pet waste is allowed. Green waste can be taken to the Logan City Green Waste Facility (1450 N 1000 W) year round for no charge. For questions concerning either of these services, please see our website at [www.loganutah.org](http://www.loganutah.org) or call our office at 435-716-9755.

## ***STREET SHEET*** (May 13 - 14)

**\*\*Cache Valley's spring Baby Animal Days event** at the American West Heritage Center **is back!** This Memorial Day weekend, May 22, 23 & 25, you and your household can safely enjoy an interactive, hands-on experience with many of their animals, including baby chicks, goats, turtles, and more. Thanks to America First Credit Union, other animals that will be joining include a baby zebra, baby foxes, and a teenage camel. If the stork lands in time, they may also have baby bison! **Their event will be CoVID compliant\*** and tickets may be limited, so be sure to buy yours today at [awhc.org](http://awhc.org)! Price: \$8

**\*Due to COVID and USDA restrictions,** train rides, pony rides, and bison tours will be unavailable during this event. Buy a membership and come back later this summer to enjoy these amenities!

## ***STREET SHEET*** (June 1 - 2)

**\*\*ROAD CLOSURE: Logan** - 600 West from 1000 - 1400 North will be closed Monday June 1st through June 12th for road construction. 600 West will not be passable. Please use an alternate route.

**\*\*The Logan Library** will reopen to the public TODAY(Monday) and the hours of operation will be 10 am to 6 pm Monday through Saturday. Meeting rooms will not be available. Patrons using computers will be spaced with an empty computer between each one. Computers and laptops will be sanitized before the next patron uses them. The Library will continue their options available for patrons to check out books with curbside and mail delivery. See <http://library.loganutah.org> for more information or call them at 435-716-9123 Monday through Friday from 10 am to 5 pm.

**\*\*It's happening!** The **2020 Cache Valley Gardeners Market** has returned to the Historic Courthouse grounds (199 N Main, Logan) on Saturdays from 9a.m. to 1p.m. (For the last 3 weekends in October hours will be 10a.m. to 1p.m. Oct 3<sup>rd</sup>, 10<sup>th</sup> and 17<sup>th</sup>). Fresh produce. **They value their customers, so they have decided that vendors and market helpers will wear masks at the market for the entire four hours....please wear yours for the short time you are there to pick up food.** For more information: GardenersMarket.org

**\*\*Division of Wildlife Resources** has been stocking trout in the rivers and ponds around Cache Valley about every other week preparing for **Free Fishing Day** on Saturday, June 6. Free Fishing Day is the perfect opportunity to put a worm on a hook and cast it into one of Utah's lakes or streams. Anyone can fish at any public waterbody in Utah without a fishing license. Wherever you go fishing on Free Fishing Day, remember to pack out what you pack in and keep the area free of trash. Also note that some facilities, like restrooms or campgrounds, may be closed due to COVID-19 — please respect those closures. Visit the Utah State Parks website for more tips on recreating responsibly.

**\*\*Logan City School District** will continue with **Grab N Go meals** throughout the month of June. All students will be able to pick up a week's worth of breakfast and lunch on these dates: June 10<sup>th</sup>, 17 and 24<sup>th</sup> from 10a.m. to 12 noon. This is a Drive-thru Grab-n-Go service. All students will be able to pick up a week's worth of breakfast and lunch at either Mount Logan Middle School or Logan High School.

**\*\*What to do with shredded paper?** A few months ago Logan City Environmental sent a newsletter about all of the waste services they offer for all residents of Cache County and an updated graphic about what can and can't be recycled in your blue recycling container. They had several calls asking about what should be done with shredded paper. In short: although paper is recyclable, **shredded paper is best bagged and disposed of in the garbage can.** Unfortunately, shredded paper is a challenge at the recycling facility as it tends to fall off the sorting line as materials are sorted and creates a mess in the recycling plant, and often ends up mixed in with all of the other materials.
