

POST RENEWAL ANNOUNCEMENT

On 1 (date of the last renewal grant),
2 (station's call letters) was granted a license by the Federal
Communications Commission to serve the public interest as a public trustee until
3 (license expiration date). Our license will expire
on 4 (date). We filed an application for license renewal with
the FCC on 5 (date). A copy of this application is available for
inspection during our regular business hours. It contains information concerning
the station's performance over the last 6 (period of
time covered by the application, e.g. 8 years).

Individuals who wish to advise the FCC of facts relating to our renewal
application, and to whether this station has operated in the public interest, should
file comments and petitions with the FCC by 7 (date, first day
of the full calendar month prior to the month of license expiration). Further
information concerning the FCC's broadcast license renewal process is available at
8 (address of the location of the station's public
inspection file) or may be obtained from the FCC, Washington, D.C. 20554,
www.fcc.gov.
