Quarterly Issues/Programs List

For programming aired **October 1, 2018 through December 31, 2018**

This Quarterly Issues/Programs list is a list of non-entertainment programming which, in the opinion of the management of **KUKI** represents the most significant treatment by the station of community issues and concern.

This list is not intended to be a comprehensive list of ALL the station's non-entertainment programming.

Nor is it designed to list every program broadcast by the station that is responsive to the selected issues.

Included are only those programs in which the station devoted significant time or depth to the issue listed.

Issue	Responsive Programming Brief Description	Date	Time Aired	Length
Lakeport Fire District	This month, The Lakeport Fire District will move forward with eliminating three full-time positions. The cuts were part of the budget adopted last month by the Lakeport Fire District Board of Directors. The Lakeport Professional Firefighters Union had offered a 10-percent across the board pay cut to help with the budget shortfall, and to avoid the layoffs. But Fire Chief Doug Hutchison said they are out of money, have cut everywhere else possible, and now must reduce labor costs. Hutchison said the district is moving forward with placing a fire tax measure on the ballot early next year.	10/01/18	7:20am, 8:20am, 12:20pm, 4:20pm, 5:20pm	1 Minute

New Cell Phone Tower	A new cell tower will be going up in North Lakeport. This week the Lake County Board of Supervisors approved the construction of a new Verizon Wireless telecommunications tower at the site of the North Lakeport Water Treatment Facility. It will be a 70-foot "broad leaf mono-tree" cell tower. Some residents of the neighborhood had appealed the approval of the tower by the planning commission over concerns the tower will decrease property values, block views of the lake, and increase fire risks. The company says the location helps to fill a gap in service and meets all legal requirements.	12/21/18	7:20am, 8:20am, 12:20pm, 4:20pm, 5:20pm	1 Minute
