

**Determination of the critical issues**

**For station: KONY**

**As of : July 6, 2016**

**Station management has done the following in determining what the key issues are for our community of license which is: St. George, UT**

**Document how the issues have been determined:**

**We conversed with St. George Mayor Jon Pike on July 2, 2016**

1. River Road widening project.
2. 1600 S. Dixie Drive traffic signal
3. All Abilities Park final details and equipment
4. Planned purchase of property for a new fire station in the Little Valley area.
