Dear Tom,

Thank you for Fox and MyTV promotions for The Arc's Lights on St Paul 2013! Your sponsorship was highlighted nightly as visitors drove through our glowing and dancing 1.3 million lights! Despite a shorter season between Thanksgiving and Christmas and some challenging weather, the support from the community was overwhelming. We closed the 32 nights of the exhibit on December 29th with:

- 18,605 vehicles (cars, party buses, trolleys, and limos)
- \$71,000 bucket donations
- \$8,600 "Shine" donations
- 570 volunteers giving 6,350 hours to build displays, set up and take down displays, & help during the event)

Over the years The Arc's Lights on St Paul has grown into a community tradition and major fundraiser that supports The Arc's services and programs for individuals and families living with intellectual and developmental disabilities.

The funds raised help us provide more than 600 programs to 3,700 individuals at no or low cost all year long. As a result, more youth are able to participate in fun safe activities at The Arc during school in-service days and Christmas and Spring Breaks, while families receive valuable respite. More scholarships are available for students to attend YESS. Supportive mentoring relationships continue to develop through Circle of Friends and Cornerstone, changing the lives of participants and those around them. More adults are able to benefit from fun social activities that brighten their daily routines, including lunch bunch, monthly dances and art days, as well as trips that create memories that last a lifetime.

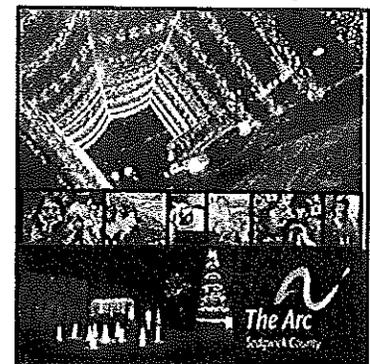

Thank you for dedicating your financial resources, for volunteering your time and for lifting up our families. Because of you, lives are changing, individuals are succeeding, and our community is advancing. We are doing it together, and we are so grateful to have you by our side.

Sincerely,

Kevin Fish
Executive Director

Dear Tom Gdisis,

At The Salvation Army, the Christmas decorations have all been taken down, the bells and kettles are once again in storage, and we are taking account of a wonderful Christmas season. We can't but reflect on the blessings experienced by so many people this year. Blessings made possible through the generosity of people like you.

Imagine a Christmas morning where 3790 families opened gifts provided for them by others. There were 16,672 people in these families who received over 40,000 gifts! Imagine joy on the faces of boys and girls receiving dolls and trucks, MP-3 players, action figures and so much more. Imagine the hope this brings to moms and dads when they consider that someone cared enough to provide for their children. Later that day, turkey and other food graced their tables for a Christmas feast. Imagine senior citizens living alone who receive a brightly wrapped gift this year.

If you were one of the more than 2000 volunteers giving more than 7500 hours of service to The Salvation Army this Christmas, you were a part of making this happen! Thank you. Fox News has been a part of blessing others and The Salvation Army through your tangible gift and service. We in turn are able to extend those blessings to those in need. Thanks again for partnering with us in God's work.

With sincere thanks,

Majors Glen & Carole Caddy

Mr. Tom Gdisis
My TV Wichita Station Manager (KMTW)
FOX Kansas

Wichita, KS 67203

Dear Tom:

It was such an honor for Exploration Place to host the Gingerbread Village, a Wichita tradition. We were delighted to be partners with the Assistance League of Wichita to provide this beloved and fun event for the community.

The response was just remarkable with some 3,500 people participating during the two days. There were people who had been attending every year for two decades and some people who were introduced to this event for the first time. The partnership of our two organizations created a synergy that brought new vibrancy to the event.

It takes generous support from local businesses and organizations to ensure success for community events like this one. Your station graciously stepped forward to support the Assistance League of Wichita with this event which in turn, enables them to help some of the less fortunate members of our community.

Your support was recognized in so many ways during the weekend, but due to an unfortunate mix-up, the banners were not hung. On behalf of Exploration Place, please accept my sincerest apologies. We have fully evaluated the logistics that caused this mix-up to ensure such a situation is never repeated. We do hope the oversight will in no way negatively impact your relationship with the Assistance League of Wichita.

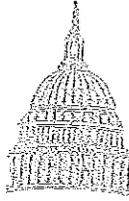

Thank you for all that you and My TV Wichita - FOX Kansas do for our community.

My apologies again,

Jan Luth
