SCHEDULE 2(b)(iii)

Dated Copies of Advertisements, Bulletins, Letters or other Communications Announcing Positions Filled During Two Most Recent EEO Public File Reports

Full-time positions filled during the February 1, 2021, to January 31, 2022 Annual Report Timeframe:

1. March 5, 2021 – Program Director Hire

The current owner acquired WANG(AM), WCPR(FM), WGBL(FM), WTNI (AM), and WXYK (FM) from Alpha Media on March 1, 2019. As part of the acquisition agreement, the current owner had the opportunity to retain all SEU employees, except for one program director who was listed as excluded in the acquisition agreement. That program director had developed and was directing a format that was being used by assignor, Alpha Media, for WGBL in the Gulfport/Biloxi market which was being acquired by the current owner but also by Alpha Media for various of its other stations in markets elsewhere throughout the country. The program director remained in the studio space and the format continued on WGBL after the assignment with the mutual understanding of Alpha Media and the current owner. When Alpha Media dropped the format for their stations, the program director became available to work full-time for the current owner. To enable the SEU to continue with the WGBL format, he was essential as having developed the format and thus it was critically necessary for the SEU Manager to hire the program director.

2. August 1, 2021 – Account Executive Hire

a. Recruitment Sources Used to Fill Vacancy

(For copies of advertisement or other communications announcing this Account Executive position, see **Schedule 2(b)(iii), Exhibit A**).

- i. Word of Mouth Referral
- ii. On-air announcements
- iii. Indeed Website

3. September 1, 2021 – Account Executive Hire

An account executive was hired by the SEU on September 1, 2021, after an account executive was unexpectedly terminated for cause on August 13, 2021. The SEU was left with only one account executive who had been recently hired on August 1, 2021, and on the job for a matter of a few weeks. Because it was imperative that the SEU's clients and

accounts be serviced, an emergency replacement hire of an account executive was made to keep the sales for the station intact and uninterrupted. Additionally, although due to the emergency, the SEU did not specifically recruit for this vacant account executive position, the SEU had recruited for the account executive position that had just been filled in the prior month on August 1, 2021.

4. November 8, 2021 – Account Executive Hire

a. Recruitment Sources Used to Fill Vacancy

(For copies of advertisement or other communications announcing this Account Executive position, see **Schedule (2)(b)(iii), Exhibit B**).

- i. Walk-in/Self-Referral (in response to on-air advertisements)
- ii. On-air announcements
- iii. Indeed website

5. January 1, 2022 – On-Air Talent Promotion

An on-air talent employee was promoted from part-time to full-time on January 1, 2022, to stem an emergency situation due to the unanticipated end of long-running, independently-owned syndicated morning show on WCPR on December 31, 2021. The syndicated morning show team informed the SEU Manager in early December that they were terminating the morning show and leaving the SEU and moving their morning show elsewhere to other stations.

Needing an immediate replacement to continue a morning show, the SEU Manager quickly explored possible replacements but unable to find an appropriate syndicated morning show that was a good fit, he concluded that the only option would be to create and produce a local three-hour morning show for WCPR to replace the syndicated morning show and have it ready to launch on January 1, 2022. Because time was of the essence and the SEU only had less than a month to get a new show ready to air, and without other alternatives, the SEU Manager decided that the only viable option would be to use experienced in-house on-air talent to host the show and made the decision to promote an experienced part-time employee on-air talent to a full-time on-air talent effective January 1, 2022, to co-host the new morning show beginning on January 1, 2022, accordingly this promotion was essentially a result of unexpected exigent circumstances. Besides the part-time employee's immediate availability to help resolve the emergency, the SEU Manager also felt it would be extremely beneficial to have an on-air personality that was familiar to the listeners be a part of the new show when it launched.

**Full-time positions filled during the February 1, 2022, to January 31, 2023

2. August 8, 2022 - Account Executive Hire

An account executive was hired by the SEU on August 8, 2022. Two account executives in the SEU unexpectedly resigned on July 13, 2022, and July 14, 2022, respectively and the SEU was left with only one account executive. Because it was imperative that the SEU's clients and accounts be serviced and sales maintained, the decision was made to make an emergency hire of an account executive on August 8, 2022. Following the resignation of the two account executives on July 13, 2022, and July 14, 2022, the SEU began recruiting and advertising for the vacancies on July 20, 2022, and made two additional account executive hires on August 29, 2022, and September 16, 2022.

Dear ,

I am very pleased to inform you that [REDACTED] M [REDACTED] has successfully met the requirements to earn the designation of Radio Marketing Professional (RMP) as certified by the Radio Advertising Bureau.

The Radio Marketing Professional (RMP) designation is the entry-level course in a comprehensive, multi-level training and certification program developed and administered by the Radio Advertising Bureau. RMP graduates must complete a rigorous course of study that focuses on mastering the basic knowledge and the initial skills necessary to immediately generate sales for the station and results for the advertisers. To earn their RMP diploma, candidates must pass a challenging examination.

We have no doubt that Krista is already using the knowledge and skills acquired from the RMP program to begin a very successful career in Radio Sales. And we hope that you will encourage K [REDACTED] to continue the quest to increase knowledge and sharpen skills by taking the next step -- earning the coveted Certified Radio Marketing Consultant (CRMC) accreditation.

And while recognizing the accomplishment of [REDACTED], please allow me to congratulate you for investing in this important RAB sales training program. In supporting the growth and professional development of your people on an individual basis, you are helping to ensure the long-term success of your stations, your company, and our industry.

Sincerely,

Erica Farber

SCHEDULE 2(b)(vi)

(No Complaints)

There are no, and have not been any, pending or resolved EEO complaints as to any of the stations during the stations current license term before any governmental body alleging unlawful discrimination in the employment practices of the stations on the basis of race, color, religion, national origin or sex relating to the stations.

SCHEDULE 2(b)(vii)

Kenny Vest, Market Manager, and Danielle Hamilton, Business Manager, of the Unit Stations, are primarily responsible for ensuring that the EEO policies are being implemented and do so in conjunction with Ashley Fortenberry, Chief Operating Officer/General Counsel and Kim Dillon, President and Chief Executive Officer. This has been our approach throughout the license term. Ashley Fortenberry and Kim Dillon have been a part of management for all of the current license term. The Market Manager and Business Manager help ensure implementation by scheduling advertisements and appropriate outreach as full-time jobs become open and need to be filled. Through the combined efforts of management, all employees are aware of our EEO policies. Policies on non-discrimination are also clearly posted in a common area of the stations frequented by employees as has been the case throughout the license term.

All TeleSouth Communications job postings, printed advertisements, and over the air announcements clearly state that TeleSouth Communications is an equal opportunity employer, so that all applicants are aware of our EEO policies.

SCHEDULE 2(b)(viii)

We periodically make an analysis of the EEO recruitment program for the Stations and its effectiveness.

It is now and has been our policy throughout the license term to review our hiring practices and efforts, including initiatives, other activities, procedures for compliance and results. In evaluating our efforts, we found that newspapers were not effective in attracting applicants, as fewer individuals subscribe or read the papers as was common in past years. Our experience has been that we have the most success using commonly-known, job listing websites such as Indeed and LinkedIn and on-air advertising. The combination of national job listing websites and local on-air advertising enables us to reach potential candidates outside the market of the Unit stations as well as potential candidates who are located in the market of the Unit stations. The foregoing efforts attract those who are currently working in the industry, those who used to work in the industry, and those who might be entertaining the idea of a future career in broadcasting.

Our Recruitment Initiatives and other efforts detailed in our Annual EEO Public File Reports and in the Section 2(b)(v) schedule to this response also serve as effective recruitment sources. As was the case for many stations, the COVID pandemic was a problem for recruitment as person-to-person contact was more limited during 2020-2022 and many of the traditional outreach opportunities such as job fairs, events, and educational institution visits were suspended. Also, the Unit Stations in the Gulf Coast market of TeleSouth had more turnover than was expected, perhaps as the casino revival after the pandemic has provided more alternative employment opportunities.

The TeleSouth Communications analysis of recruitment efforts is performed by Kenny Vest, Market Manager, and Danielle Hamilton, Business Manager, of the Unit Stations with input from Ashley Fortenberry, Chief Operating Officer/General Counsel and Kim Dillon, President and Chief Executive Officer.

Throughout the license term, top officers of the TeleSouth, COO/General Counsel Ashley Fortenberry and President/CEO Kim Dillon communicate with employees to supervise the operations of the Stations and ensure proper procedures are being followed.

SCHEDULE 2(b)(ix)

Officers of the TeleSouth, President/CEO Kim Dillon, and COO/General Counsel Ashley Fortenberry in consultation of the Chairman and controlling owner, Steve Davenport, periodically consider all salaries, benefits, promotions, seniority practices, and selection techniques of both new hires and existing employees to ensure that the foregoing are not, in and of themselves, discriminatory by race, color, religion, age, national origin or sex. Our goal and stated policy is to ensure our policies and practices provide equal opportunity to employees and are non-discriminatory.

We also analyze pay, benefits, and related practices against norms as published by industry publications and our awareness of practices with the goal that our practices adhere to industry standards for the market size in our state and area.

We appreciate that we need to provide competitive salaries and benefits if we are to attract and retain qualified employees to enable our stations to succeed, especially in view of alternative employment opportunities in the market.
