Hi,

Thanks, Teresa!

I am confirming we never got a spot or spots for this flight running Jan 9 through the 15th for Great falls and for Butte. None of the spots aired for the orders in these markets for that referenced week.

I will process the cancelled orders.

Hello-

I just spoke with Melisa and she said we did not have copy for the orders so, we are okay to cancel. Just want to be very careful with political.
