Under the law, businesses that knowingly hire illegal immigrants could face a business license suspension lasting up to 10 days. Second-time violators would have their business licenses permanently revoked. Business groups challenged the law in court, saying it would poison Arizona' s business climate and that cracking down on such hires was the sole province of the federal government.

TRUTH ABOUT IMMIGRANTS

PROGRAM Despierta America News

WHEN 2/4/08

The Truth About Immigrants is a campaign created by 25 immigrant and non-immigrant groups in New York State to educate the public about immigration and dispel myths and misinformation about immigrants. The campaign seeks to foster an honest dialogue about immigrants through workshops and other events taking place in New York City, Long Island, Albany, and Syracuse in the coming months. Today's immigration debate is in a deplorable state. The debate has been taken over by a vocal minority that exploits legitimate public concerns-around immigration, security, the economy, and other issues-to scapegoat immigrants and divide the nation instead of presenting solutions that strengthen us all. There are real issues that need to be addressed; the immigration system is broken and in need of reform. It's time to improve the quality of the debate so that we as a nation can arrive at real solutions based on our values of shared prosperity, fairness, and inclusive democracy-solutions based on facts, not fear and misperception.
