## October-December 2020 Quarterly Issues and Program Reports for WMKY, Morehead State Public Radio

The top issues covered by WMKY News during the last three months include a total of 712 stories with sound. By category, those stories include:

Arts/Culture: 50

Government: 227

Police and Fire: 39

Legal/ Courts: 35

Education: 118

Economics: 52

Health: 130

Human Services: 28

Environment: 16

Transportation: 4

Agriculture: 6

Weather/ climate: 1

Housing: 4

Minority/ Women: 1

This quarter's numbers reflect the COVID-19 pandemic in both coverage and impact. With sporting events beginning again, but attendance being limited, we have seen a slight increase in stories which are arts/ culture related this quarter. We anticipate a significant increase in the first quarter of 2021 as we return to sports coverage.

The numbers also reflect increasing trend in the number of Government-related stories, as more regulations are being introduced by political leaders. Legal and court stories remain steady as county courts reopen and cases progress.

The number of stories with sound remains small, but it should be considered that an hour or more of local coverage per day is being broadcast as state leaders address the pandemic. It should also be considered that some stories which would have once included sound are now done as readers. This action should be attributed to the speed at which information is evolving in the pandemic.

Issues to be of importance to WMKY News in the next quarter, January-March 2021, will include mostly Government (inauguration, state legislative session); Health, and Education as we move through the pandemic; and what is expected to be tumultuous beginning to the Biden Administration.

Leéann Akers

News Director, WMKY

Morehead State Public Radio

# **Open Mic**

HOSTED BY <u>LEEANN AKERS</u>

OPEN MIC / MOREHEAD STATE UNIVERSITY

Open Mic, a half-hour talk show at 9 am and 4 pm every Friday on Morehead State Public Radio. Visit with newsmakers, artists, authors, politicians and public servants as we discuss the issues that are critical to our region.
