January-March 2020 Quarterly Issues and Program Reports for WMKY, Morehead State Public Radio

The top issues covered by WMKY News during the last three months include a total of 1,241 stories with sound. By category, those stories include:

Arts/Culture: 328	Government: 262
Police and Fire: 96	Legal/ Courts: 61
Education: 74	Economics: 45
Health: 254	Human Services: 51
Environment: 29	Transportation: 12
Agriculture: 6	Weather/ climate: 18
Housing: 2	War/ Terror: 1

This quarter's numbers reflect the COVID-19 pandemic in both coverage and impact. With sports and events being cancelled, we have seen a sharp decline in stories which are arts/ culture related. The numbers also reflect a huge jump in the number of health-related stories, up from just 64 to 254 from the last quarter.

Issues to be of importance to WMKY News in the next quarter, April-June 2020, will include Government, Education, Economic and Human services, as we continue to explore the impact of the global pandemic.

With the closing of Our Lady of Bellefonte hospital in Russell, our region loses a 214-bed community and referral hospital, outpatient specialty clinics, a same-day surgery center, a women's center, primary care clinics in South Shore, Cannonsburg, Grayson, and Flatwoods, 1000 jobs, and a busy emergency room. At the time the closing was announced, the wards were full, the emergency room was bustling, and people were waiting for appointments.
