PUBLIC SERVICE CAMPAIGNS

During the fourth quarter of 2022, all three stations continued airing recorded public service announcements. In addition we have a 30 second program known as the "Montgomery County Community Calendar". An average of six PSAs are played that promote a variety of upcoming events for non-profits and other organizations serving the community. These are aired once an hour whenever music programming is being featured. We also promoted events and issues through fully recorded public service announcements that are aired as part of spot breaks wherever inventory allows.
