

KTXD(TV) Amendment to First Quarter 2019 Commercial Limits Certification

KTXD(TV) hereby supplements its Commercial Limits Certification for the First Quarter of 2019 to note that it aired the programs listed below, which were designed for children 12 and younger. As a standard practice, each program designed for children 12 years of age and younger is formatted to allow no more than 10.5 minutes of commercial matter per hour on weekends and 12 minutes of commercial matter per hour on weekdays and to comply with the Commission's limitations on the display of websites in children's programming. There were no occasions on which these limitations were exceeded during the quarter. KTXD(TV) also amends the certification to note that, except for *Generations of the Cross* and *Crossfire Youth Ministries*, which were designed for children ages 10-16, each of the programs originally identified as designed for children 12 years of age and younger were in fact designed for children ages 13-16 (as reported in the station's Form 398 Children's Television Programming Report for that quarter), and thus not subject to Section 73.670 of the Commission's rules.
