February 21, 2014 – 5:00am – 8:30am
5 minutes of a 2 ½ hour program

Hosts Doug McElvein and Debbie Monterrey interviewed Paul Brandus, West Wing Reporter. They talked about the part of President Obama's proposed 2015 budget, the Pentagon plans to shrink the Army to its smallest size since before World War II. The Air Force will also be trimmed, notes *The NY Times*.

Why now?

- Budget cuts
- The end of the Iraq war, the coming end of the war in Afghanistan
- The future of warfare itself is changing what is being protected from cuts shows how the military thinks future threats will be dealt with:
- Special forces
- Cyberwar capabilities – which are growing rapidly

Hosts Doug McElvein and Debbie Monterrey interviewed Paul Brandus, West Wing Reporter. As an ex-Moscow-based foreign correspondent who covered the end of the Cold War – and crossed paths with Vladimir Putin before he became President, I thought my latest column in *The Week* would add to the current talk about the situation in Ukraine. Theme:

History and geography are playing a role in ways that Americans may not fully grasp
U.S. Presidents historically have had trouble stopping the Russians from acting in their own
backyard

The United States, Canada, Britain, Germany, France, Italy and Japan circled the wagons, informing Russia that they will not be attending the G-8 summit in Russia in June – for now. It's clear, unified and significant rebuke to Putin.

Germany Chancellor Merkel told President that after speaking w/Putin Sunday she's not sure Putin is in touch with reality. "In another world," she said (NY Times) □
