SEGMENT 1:	FAILING AMERICA'S TEACHERS	Date	Time	Duration
------------	----------------------------	------	------	----------

**Synopsis:** Between February 2020 and May 2022, around 300,000 teachers left teaching to pursue another profession. While the COVID-19 pandemic is no longer a front and center issue, millions of public-school educators are still struggling to keep going in positions that mean long hours, low pay and a growing number of curriculum mandates. In part one of this story, first grade teacher Lori Cash - who's taught for more than 30 years - shares the challenges teachers are facing and touches on a few points that need to change.

**Host:** Gary Price  
**Guests:** Lori Cash, 1st Grade Teacher, Columbus Signature Academy Lincoln Elementary.  
**Compliance issues covered:** Career, Education, Personal Finance, Politics, Public Policy, School Funding
