Describe the educational and informational objective of the program and how it meets the definition of Core Programming
Fruity pie is a children's program that aims to teach children how to foster their three best friends in life: Happiness, Good Health and Love. The children in the program, portrayed as colorful fruit that comes to life, are guided by the wise and fun loving Fruity Granma, who engages with the children as more of a friend than a traditional superior. Instead of teaching a daily class with a lesson plan, she uses fun games and arts and crafts as a means to

foster a sense of self respect, self worth, confidence, and compassion for others amongst the children. The program is in Mandarin Chinese.
