11. Does the Licensee certify that at least 50% of the Core Programming counted toward meeting the additional programming guideline (applied to free video programming aired on other than the main program stream) did not consist of program episodes that had already aired within the previous seven days either on the station's main program stream or on another of the station's free digital program streams?

Y

If No, submit as an Exhibit a Statement of Explanation setting forth the number of repeats in excess of the repeat limit and the times and dates the episodes involved were aired.

Non-Core Educational and Informational Programming

12. Complete the following for each program that you aired during the past three months that is specifically designed to meet the educational and informational needs of children ages 16 and under, but does not meet one or more elements of the definition of Core Programming. See 47 C.F.R. §73.671. Complete chart below for each additional such educational and information program.

[There are no digital non-core program reports.]

Sponsored Core Programming

13. List Core Programs, if any, aired by other stations that are sponsored by the Licensee and that meet the criteria set forth in 47 C.F.R. §73.671. Also indicate whether the amount of total Core Programming broadcast by another station increased.

[There are no digital sponsored core program broadcast reports.]

[There are no digital sponsored core program detail reports.]

Other Matters

14. Complete the following for each analog and digital program that you plan to air for the next quarter that meets the definition of Core Programming. Complete chart below for each Core Program, identifying whether it is to be broadcast on the station's analog or digital channel or both channels.

[There are no planned core program reports.]

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

Jimmy Kudo is a 17-year-old high school prodigy who frequently helps the police in solving cases. During an investigation, he is attacked by two criminals, codenamed Gin and Vodka, from the syndication called the Black Organization. They force him to ingest an experimental poison, APTX 4869, which is supposed to kill him, and leave him to die. A rare side-effect of the poison, however, transforms Kudo's body into that of a child instead of killing him.

Describe the educational and informational objective of the program and how it meets the definition of Core Programming

A boy's best friend is usually his dog, unless he stumbles upon a lovable frog! This is the wonderful and wacky adventure of The Gutsy Frog. When walking to school one day, a little boy trips and falls on a frog. Worried that he may have flattened this frog, the little boy quickly gets up, only to discover that the frog is OK, but is now stuck on his T-shirt! Unable to remove the frog from his shirt, the little boy soon learns to befriend and live with the frog. This animated series follows the story of this little boy and his mischievous frog and all the adventures and troubles

they get themselves into.
