## ADDENDUM

**NOTE:** The preceding listings, as previously indicated, are some of the most significant broadcast material addressing the listed issues for the quarterly period, and are by no means exhaustive.

We feel that special note should be made of the nature of the station's broadcast operations, which nature is such that this preponderance of programming is in the categories of public affairs, religious, and educational programs. Further, our personnel, in numerous cases, have relatively high rates of personal contact with individuals and groups representative of the station's audience and the community leadership, in a wide range of activities.

Further documentation of our programming response issues and concerns, may be found in the monthly file folders maintained for the "Peggy Denny Show", our Monday through Friday public affairs talk show, our public service announcements files. Additionally, a list of significant "Nite Line" programs is attached, indicating issues covered by community leaders' interviews and discussions.
