

I would be more than happy to even go on the air if you wish. I'll forward letter as soon as I am back in my office on Monday.

Thanks,

Mr. Fernandez,

Would you be so kind as to forward me a copy of your letter of resignation from the Planning board as we have had many calls to the Marco island radio station news dept asking if we had any information about it.

I would like to include it in our local Marco newscasts as well as on the MARCO ISLAND APP that everyone has on their smart phones.

Thanks in advance and good luck in the future.
