KXMN TV ISSUES AND PROGRAMS LISTS

1st QUARTER 2012

Section I. Issues

The station has identified the following issues as significant issues facing our community this quarter:

- A. Economy: National economic issues continue to impact our community. New job numbers show that unemployment is declining and employers are adding jobs. Additionally, employers hiring veterans are eligible for tax credits. The real estate market is also picking up impacting home sales.
- B. Arts/Recreation: The Spokane area boasts many talented individuals. Highlighted this quarter were several local celebrities including author Frank Zafiro and actor Matthew Modine, not to mention Gonzaga athletes. Recreational events the Inland Northwest was recognized for this quarter include hosting the U.S. Olympic trials for boxing and being recognized as a region known for its great wine.
- C. Environment: During the fall and winter months, weather can complicate travel and personal safety. While snow fall was at a minimum this winter, we kept viewers up to date on rain storms and road conditions. Also, the Mine Safety and Health Administration ordered Hecla's Lucky Friday Mine to close down for approximately 1 year for clean up.
- D. Education: There are ongoing budget concerns with our state and local education system. The WA Supreme Court is leaving it up to lawmakers to put education first, even with a projected billion dollar budget shortfall this year. More than 40% of the state's schools fall in fair or struggling category in the Public School Accountability Index.
- E. Health & Social Services: The state of the national and local economy impacts numerous areas of our lives. While charitable donations were down last year, there have been many community members helping in various ways...From helping the homeless to helping an animal shelter, the generosity of community members still exists despite challenging economic times.
- F. Government: WA Lawmakers have been busy debating initiatives including legalizing marijuana, same sex marriage and the death penalty. Closer to home, Spokane's new Mayor laid out his 100 day action plan to the City of Spokane. He discussed 5 areas of improvements, including: public safety, water rates and economic growth.
