### 1. **Postings on the America's Job Exchange (AJE) Network**

In addition to the national AJE website ([www.americasjobexchange.com](http://www.americasjobexchange.com)), job posting advertisements from Federal contractor are also distributed via the AJE Career and State Exchanges. The AJE Career Exchange includes 19 career search websites designed for specific job seeker groups, including veterans, minorities, and persons with disabilities. The AJE State Exchange targets local job seekers in each of the 50 states.

### 2. **Distribution to the Diversity Partner Network**

Job posting advertisements from Federal contractors are distributed to the AJE Diversity Partner Network, which consists of hundreds of websites aimed at specific groups with unique interests, such as veterans, minorities, and persons with disabilities.

### 3. **Distribution to the Recruitment Media Partner Network**

Job posting advertisements from Federal contractors are distributed to and sponsored on AJE's Recruitment Media Partner Network in an effort to maximize job posting exposure. The AJE Recruitment Media Network consists of various online job boards and job search engines that specialize in recruitment advertising.

### 4. **Distribution to Career One Stop Center Representatives/LVER/DVOPS**

Job posting advertisements from Federal contractors are distributed to One-Stop career centers and veteran representatives (e.g., LVER, DVOP) nearest to the job location.

### 5. **Distribution to Community Outreach Organizations**

Job posting advertisements from Federal contractors are distributed to community-based organizations as a means to reach candidates from specific groups, such as veterans, minorities, and persons with disabilities.

### 6. **Job Feed Distribution or Manual Posting to State Workforce Web Site**

Job posting advertisements from Federal contractors are sent directly to the states in which the postings are open. The postings are distributed via feed or posted directly to the state site.

### 7. **Total Clicks**

The total number of times your job title was clicked to view the Job Description from the date the job was posted to the date the job expired. Please note this is an estimate of views and might not fully count the total number of views from the full AJE distribution network.

### 8. **Total Applies**

The number of times the "Apply" link was clicked from your Job Description. Please note that this does not necessarily equal the number of applies to a job as a candidate can abandon the application process mid-way through or decide to apply directly by using an email address. In addition, apply information from some partner sites is not obtainable or reliable.
