Moral Issues

Program: In the Market

Date: January 6, 2020

Time: 5:00PM

Duration: 55 minutes

Discussion: When Homosexuality Hits Home- “There’s something I need to tell you...I’m gay.” These are hard words to hear from a beloved family member. But as hard as they are to hear, they are also hard for the same-sex-attracted person to utter. No matter the relationship—parent, child, grandparent, spouse, sibling, or other, that admission will likely mark a change in the way you and your loved one understand each other. These can be difficult waters to navigate, but the guest knew the rough waters firsthand and offers answers to the questions you need answered.

Family Issues

Program: Open Line

Date: Each Saturday

Time: 10:00AM

Duration: 110 Minutes

Discussion: Every Saturday Dr. Michael Rydelnick answers the listener's questions on Bible and Christian-Living topics, providing answers straight from Scripture and, when possible, bringing additional historical context from his wealth of knowledge and experience.

Discussion:

Remaining Calm in the Chaos of Life- Popular speaker and author Nicole Johnson highlighted some of the challenges she's faced – including being stressed out as a crazy-busy mom and losing her relationship with a long-time, dear friend – and described how these experiences taught her to find inner calm and healing with God's help.

Program: Focus on the Family

Date: February 24, 2020

Time: 6:30AM

Duration: 28 minutes

Discussion: Raising Courageous Daughters - Counselor Terra Mattson described how today's culture is influencing girls to doubt their sense of self-worth through the emotional turmoil caused by doubt, fear, and negative body image. She offered advice for empowering your daughter to overcome these struggles by affirming her God-given value, boosting her confidence, and helping her cultivate healthy friendships.

Program: In the Market

Date: March 11, 2020

Time: 6:00PM

Duration: 55 minutes

Discussion: My Spouse Wants Out- Your spouse has told you that he doesn't love you anymore, and he wants a divorce. You can't believe these words have come out of his mouth. You never saw this bomb coming. Sure, the marriage hasn't been great lately. The level of intimacy and passion has dipped. You can admit that. But, divorce? Things aren't that bad! Why would he throw your marriage and family away? Today heard answers to this question and many more as a Christian psychologist delivered the hard truth based on the word of God.

Program: Focus on the Family

Program: In the Market

Date: January 15, 2020

Time: 6:00PM

Duration: 55 minutes

Discussion: Living Beyond Pain- Our national attention is firmly focused on the growing opioid crises. We know the problem. But what is the solution for the 100 million Americans living with chronic pain? The guest offered a whole person approach to pain management, addressing the physical, mental, and spiritual aspects of pain and providing alternative strategies that don't rely on opioids. Through education, pain triumph stories, daily guided cognitive activity, and as-needed pain rescue techniques, she will teach us how to reprogram their neurologic pathways, increase functioning, and experience improvement in their symptoms.

Program: In the Market

Date: January 22, 2020

Time: 6:00PM

Duration: 55 minutes

Discussion: Be Anxious For Nothing- Scripture says "be anxious for nothing," yet most of us find ourselves increasingly worried and anxious--about our families, our jobs, our finances, our security, and so much more. We're even worried about our level of anxiety! Integrating both the psychological and spiritual aspects of anxiety, the guest offered a research-driven and faith-informed approach to understanding why we experience anxiety and shows us how to effectively manage it by developing three essential skills. Our world is never going to be a completely safe and understandable place. But it is possible for our hearts and minds to experience greater and lasting peace.

Program: In the Market

Date: February 11, 2020

Time: 5:00PM

Duration: 55 minutes

Program: In the Market

Date: March 4, 2020

Time: 6:00PM

Duration: 55 minutes

Discussion: Ending Mental Illness- Millions resist getting treatment for depression, addiction, and other health issues because of the stigma of "mental illness." The guest wanted to change that! Challenging outdated psychiatric paradigms, he replaced them with a modern brain-based, whole-person approach. Listeners discovered how to identify your "brain type"; prevent or reverse problems that are making you sad, mad, or bad; and much more.

Program: In the Market

Date: March 9, 2020

Time: 6:00PM

Duration: Medicine in the Headlines- The program started with the headlines of the day and then we heard from an emergency room physician on what is and isn't true about the coronavirus and how we can make practical decisions on protecting our health. Then, listeners were asked to make substantial and sometimes personal choices regarding marijuana in your home, neighborhood, workplace, school, and even at the voting booth. However, myths and misinformation about marijuana have blossomed and flourished, creating a Grand Canyon-like chasm between the public's perception and scientific reality. In this cultural moment, a dispassionate, objective, and scientific view is desperately needed. The guest, a Christian physician, has written a comprehensive and approachable book to help you separate fact from emotion, certitude from myth, and truth from spin. He share his knowledge and insight into this often controversial topic.

Program: Focus on the Family

Program: In the Market

Date: January 20, 2020

Time: 6:00PM

Duration: 55 minutes

Discussion: Reviving the Black Church-

Is the Black Church dying? The picture is mixed and there are many challenges. The church needs spiritual revival. But reviving and strengthening the Black Church will require great wisdom and courage. The guest took listeners back to another time, borrowing the wisdom of earlier faithful Christians. But more importantly, he called us back to the Bible itself. For there we find the divine wisdom needed to see all quarters of the Black Church live again, thriving in the Spirit of God.

Educational Issues

Program: In the Market

Date: February 24, 2020

Time: 6:00PM

Duration: 55 minutes

Discussion: Not Your Grandparent's Alma Mater Anymore-It's easy to assume that nothing ever really changes, but that is not true when it comes to the higher education of the modern American student. The "wired generation" have lived lives vastly different than college students even less than 30 years ago did. The guest host Ed Stetzer spoke to someone who answered some of the big questions surrounding this topic such as: What do parents need to know to prepare their kids for what lies ahead? How have these changes in culture affected higher education? How is the next generation expressing its spiritual needs and how can believers meet and engage them with the good news of the gospel?
