

KEOS Programming Issues for First Quarter of 2020
Filed April 10, 2020

Programming Issues:

1. Community access to media.
2. Truth and fairness in news and information reporting.
3. Discrimination based on age, sex, race, religion, sexual orientation, political views or ethnicity.
4. Any and all issues of interest to the GLBT community.
5. Any and all issues of interest to the Latino, Black, Indian, Asian, Native American, or other ethnic minority community.
6. Bias in any and all forms in media coverage of current events of local, domestic, or global interest.
7. Fostering an understanding and appreciation of world events and their impact, particularly through presentation by non-US based news gathering organizations.
8. Encouraging understanding and tolerance of minorities through information and education.
9. Encouraging understanding and appreciation for non-news or current event- based writing and literature, with an emphasis on local writers and authors.
10. Knowledge of and access to local healthcare, as well as information about any and all aspects of both physical and mental health.
11. Encouraging participation in the political process and improving citizen knowledge of candidates running in local races to allow citizens to cast an informed vote.
12. Any and all issues related to families, raising and educating children, and lifestyle choices.
13. Implementing environmentally sound strategies in everyday life.
14. Women's rights and equality in society and the workplace.
15. Native American rights and other issues of interest to the Native American Community.
16. Understanding and tolerance of non-religious ideology and beliefs.
17. Issues surrounding Texas Government and Political Climate
18. Cultural biases based on political, philosophical, or religious beliefs.
19. News and information specific to issues and interests to those who live in the state of Texas.
20. Economic news and policies that affect wages, jobs, taxes, debts, interest rates, prices and profits.
