The largest wildfire in Lane County is almost contained. Forest Service Road 19 South of Highway 126 is still shut down with road blocks. Trails and campgrounds are closed in the area. Law Enforcement will be taking action to anyone violating the closures according to officer Heidi Rieck. Over 11K acres and only 80 percent contained means the entire area is still a hazard and should be dealt as such.

Oregon State has agreed to pay \$1.25 million to the family of an Albany girl who died in foster care in 2016 from an untreated illness. Child and welfare workers and Department of Human services had been contacted 28 times with concerns for the girl being abused or neglected. The states investigation found the 15 year old girl had missed an unusual amount of school and had also said she was choked by her mother who also used drugs in the home. After being moved to a temporary shelter the girl was moved to the aunt's house instead of a hospital and the aunt brought her to the hospital the next day where she died.
