

**Children's Programming Commercial Limit Certification**  
**Class A Television Station WOCK-CD, Chicago, Illinois**

This certifies that WOCK-CD complied with the FCC's regulations regarding limits on commercial advertising during its children's television programming during the 3rd quarter of 2019. Specifically, the station did not air more than 10.5 minutes of commercials per hour during its children's television programming on weekends, or more than 12 minutes per hour during its children's television programming on weekdays during the quarter.

Certified this 9th day of October, 2019.

**KMLPTV of Chicago-13, L.L.C.**
