6/8/05 MOTIVATION BEHIND THE TRIPLE X DOMAIN NAME SEEMS FAIRLY SIMPLE - MONEY. ADULT ENTERTAINMENT SITES COMPRISE A TWELVE BILLION DOLLAR INDUSTRY -- AND ONE COMPANY, I-C-M REGISTRY, WILL GET A CHUNK OF THAT, BY SELLING OFF THE DOT-X-X-X SUFFIX. IMPLEMENTATION MAY BE MORE COMPLEX. REGISTERING FOR A TRIPLE X SITE WOULD BE VOLUNTARY BUT COULD PROVIDE ADULT SITES WITH LEGAL PROTECTION AGAINST CHARGES OF ENTICING CHILDREN. This would be a safe harbor for the adult industry because there's no question about the fact that they're not intentionally misleading a child. PROPONENTS ADMIT THIS IS NO MAGIC BULLET FOR PARENTS SEEKING TO SHIELD CHILDREN FROM EXPLICIT PICTURES AND VIDEO. Our kids have all kinds of problems online. Porn is one of them. We call them the 4 Ps: privacy, predators, pornography and piracy and I think parents need to be vigilant with everything SOME WORRY GOVERNMENTS MAY REGULATE THE ONLINE SPACE. THE U-S HAS THE FIRST AMENDMENT, BUT REGULATIONS COULD LEAD TO CENSORSHIP ELSEWHERE. You can imagine Saudi Arabia or Singapore saying 'well, info on homosexuality or birth control is xxx rated and so we want you to move your site into xxx so it can easily be blocked at a national level or international level and if you don't do that you'll go to jail.' TRIPLE-X SUPPORTERS MAINTAIN THE SUFFIX WAS NEVER INTENDED TO BE MANDATORY. THE U-S DEPARTMENT OF COMMERCE MUST ALSO SIGN OFF ON DOT TRIPLE-X. IF THE DEPARTMENT AGREES WITH ICANN'S DECISION, AS THEY TYPICALLY DO, THE NEW WEB ADDRESSES WILL MOST LIKELY BE AVAILABLE IN THE LATE FALL. IN WASHINGTON, I'M SUMI DAS.
