## POST-FILING ANNOUNCEMENT

[To be broadcast on the first (1st) and sixteenth (16th)  
of the three (3) months immediately following filing renewal application.]

On July 25, 2005, Station KIKZ's renewal application was granted by the Federal Communications Commission to serve the public interest as a public trustee until August 1, 2013.

Our license will expire on August 1, 2013. We have filed an application for renewal with the FCC. Copies of our application are available for public inspection during our regular business hours. It contains information concerning the station's performance during the last eight years.

Individuals who wish to advise the FCC of facts relating to our renewal application and to whether the station has operated in the public interest should file comments and petitions with the FCC by July 1, 2013.

Further information concerning the FCC's broadcast license renewal process is available at  
105 N. W. 11th St., Seminole, TX 79360  
[location of station public inspection file] or may be obtained from the FCC, Washington, D.C.,
