Re: FCC Complaint Ticket 489622 (Complainant: Concerned Citizen)

Dear Ms. Kimmel:

This letter is written on behalf of KSTU, LLC, licensee of KSTU(TV), Salt Lake City, Utah ("KSTU") in response to the complaint filed by a concerned citizen with the FCC concerning a lack of captioning on the program "The Place," a locally produced program that airs weekdays from 1:00 to 2:00 p.m. (the "Program").

KSTU had been researching various services to properly caption the Program and as of September 30, 2015, the Program is provided with captions.

KSTU will continue to monitor its closed captioning to improve captioning for our viewers. We are sensitive to viewer concerns and appreciate the input the above-referenced viewer in particular has provided. If there are any additional questions, please contact the undersigned.

Sincerely yours,

Jason S. Roberts
