**To:** Monica Bouvier-Walker; MJ Thim; Edward Macsalka  
**Cc:** Gary Donovan; Bert Rudman  
**Subject:** Quarterly Reports Input

**Importance:** High

It's time for Quarterly Reports again and I will need your input for the Significant Issues and Children's Quarterly Programming reports. This is for the period July/August/September 2015.

**I NEED YOUR INPUT BY TUESDAY 10/6/15 as I will be compiling the reports Wednesday morning.**

Monica Bouvier: PSA information (for the Issues report)

MJ Thim: Recap of news stories for the Issues report.

Eddie Mascalka: Any tours involving children 16 and under? I have the information on the Hope Foundation tour on 8/18/15, were there any others you know of?

If anyone knows of any other nonbroadcast activities involving kids 16 and younger, please let me know that for the report also. This would be things like school visits, booth at the fair, etc.

Any questions, let me know!
