In sharing their stories, we can find even more comfort in our own circumstances. Biblical Stress Reducers - I

I'm Mary Lowman and I remember reading a magazine article that gave fifty ways to defeat stress. It stressed me out just to think about all fifty! I'm going to share those biblical stress reducers with you this week on The Christian Working Woman and they won't stress you out! Hope you'll join me.

Working by the Jesus Rules

What kind of rules do you have where you work? Most likely there are things you should and should not do; rules intended to make things run better. I'm Mary Lowman and this week I'm going to talk about what would happen if we, as Christ-followers, did our work by the Jesus rules. Join me for The Christian Working Woman and find out if you're working by the Jesus rules.

When Your Cup Runs Over, What Spills Out?

I'm Mary Lowman of The Christian Working Woman, and I find that when something difficult happens, something unpleasant, something unexpected, that's when my true colors show. So, I'm asking the question: What happens when your cup runs over and what's inside comes spilling out? Is it something you regret, or have you learned how to handle it? Join me this week as we consider what happens when your cup runs over.
