Outreach Activities
For the period December 1, 2008 through November 30, 2009

The management of KEVN-TV considers our employees KEVN's most valuable asset. KEVN-TV strives to have diversity among our staff in order to bring different ideas and perspectives to our organization. We believe that this makes KEVN-TV a better place to work and a better station for the communities we serve.

During the period covered by this report, KEVN-TV has provided on-the-job training designed to enable station personnel to acquire skills that could qualify them for higher-level positions. A part-time employee in KEVN's Production Department was promoted to a full-time director of KEVN's newscasts. It is the philosophy of the management of KEVN-TV to encourage employees to learn not only how to do their job, but also to learn and understand all aspects and departments of a television station and to realize their full potential for advancement.

On March 11, 2009, the CFO, News Director, Production Manager, Chief Engineer, Local Sales Manager and General Manager participated in the Black Hills Regional Job Fair at the Rushmore Plaza Civic Center in Rapid City, South Dakota. Over 122 people visited our booth with 40 leaving applications and resumes with us. In 2009, KEVN-TV was a Platinum Sponsor of the Black Hills Regional Job Fair and aired over \$18,000 worth of commercials promoting the event. Our General Manager currently volunteers her time to serve on the board that will plan, organize and oversee this major event.

In June 2009, one of KEVN's Account Executives spoke to the Youth Business Adventure class at Black Hills State University in Spearfish, S.D. about marketing plans, developing and producing a 60 second commercial. A student from California State University Bakersfield spent the summer at KEVN-TV as an intern in our Production Department. Several of KEVN's on air talent have made numerous visits to area schools to give talks about news and weather and careers in television. Jack Caudill, KEVN-TV News Director, volunteers as an instructor and mentor for Junior Achievement.

KEVN-TV regularly invites and hosts local schools and youth organizations for tours of our station. As the guests tour our station, they learn about each department and the role each position plays in operating a TV station.
