KENNY THE SHARK

Kenny the Shark is an animated television series produced by Discovery Kids.

It is about an anthropomorphic tiger shark named Kenny that decides to move out of the ocean. He was the protagonist and main character in the series.

Kenny was tired of life in the ocean and he went on the surface, where he is able to walk on his tailfins and breathe air like humans. He can't control himself when he hears or sees a seal. Kenny lives with an 11-year-old girl named Kat (who is the only human that can talk to Kenny) and her family (who can also talk to Kenny—rarely). Kenny lives in a house by himself. He loves eating chum, Seal pops, seals, and sushi. Like most anthropomorphic animals, Kenny is able to walk, but he uses his tail fins as feet

REINO ANIMAL

Reino Animal [Animal Atlas] is a fun and informative half-hour nature program. The show travels the globe to introduce viewers to all kinds of animals – from the familiar to the astounding – including monkeys, giant lizards, sharks, and tigers. Animals are featured from North and South America, Africa, Asia, Australia, and everywhere in between. Learn about their lives, their histories, and the adaptations that allow them to survive and thrive; best of all, meet them face to face. Each episode is an exciting adventure into the animal kingdom. *Reino Animal* is not only captivating, but in a world where the natural habitats of many animals are endangered, it is also relevant and important.
