Monday	11/13/2017	Democracy Now	Amy Goodman	5-6pm	17:03:00	Environment : Broadcasts live from the U.N. climate summit in Bonn, Germany, where representatives from nearly 200 nations have gathered for negotiations aimed at bolstering the landmark 2015 Paris climate accord. This year's climate change conference comes after President Trump has vowed to pull the United States out of the Paris climate accord, but there are still a number of U.S. delegations in Bonn.	Jerry Brown	DN Airts Monday -Friday weekly	
Tuesday	11/14/2017	Overture	BAM	11:00:00 AM	1:00:00	Economics, political philosophies	Craig Pratkan, Foundation for Economic Education	Economic impact of government programs, taxation, national and local politics. (including the Red Light Camera scam)	
Friday	11/17/2017	The Healthy Planet	Bob DiBenedetto	7:20:00 PM	1:40:00	Protecting Our Life Support System: Taking Washington Out of The Equation			
Friday	11/17/2017	The Business of Healthcare with Habane	Susan Montana/Habanero	1:30:00 PM	0:40:00	healthy living : A new non-invasive cardiac study that can predict who is going to have a heart attack	Dr Bruce Feldman is the physician of MY PERSONAL DOC, a concierge medical practice delivering a high-touch, personalized service with a focus on preventive cardiology and integrative wellness.	Dr. Feldman has been using a unique, non-invasive cardiac study for quite a few years now that can be used to determine who is going to have a heart attack. It is currently going through FDA trials and is being used in emergency rooms to study patients who come in with chest pains to help determine if they can be sent home or if they should be admitted. This is breakthrough technology because current a very invasive angiogram is used to answer some of the same questions.	
Friday	11/17/2017	The Business of Healthcare with Habane	Susan Montana/Habanero	2:30:00 PM	0:20:00	Legally helping people who can't help themselves with regards to healthcare, such as guardianships and health care proxies.	Ms. Brandow is an attorney admitted to the State of New York Second Department and the U.S. Court of Appeals Second Department. Brandow Law is devoted to working with clients on an individualized basis. The practice is concentrated on Estate Planning for persons with Disabilities and their families, including Elder Law.	Regina explained a variety of situations where someone needs help with regards to their medical care, why setting this up is so important, and we talked about some examples of situations where an attorney can help make sure enduring protocols are set up to ensure people receive the appropriate care they are entitled to. Often these people aren't in the mainstream, and are "hidden" so the general public doesn't know what to do or what options are available to them when someone becomes incapacitated to take care of their own medically related affairs.	
Tuesday	11/21/2017	Democracy Now	Amy Goodman	5-6pm	29:23:00	Today we spend the hour looking at a damning new report that reveals how U.S.-led airstrikes against Islamic State militants in Iraq have killed far more civilians than officials have acknowledged.	Basim Razzo	DN Airts Monday -Friday weekly	
Tuesday	11/28/2017	Democracy Now	Amy Goodman	5-6pm	33:44:00	Sexual Harrasment : As Senator Al Franken returned to Congress in the face of allegations from four women that he had groped or inappropriately touched them, and House Minority Leader Nancy Pelosi said she spoke to and believed one of the women who has accused Michigan Congressman John Conyers of sexual harassment, we speak with Alexis Ronickher, an attorney who has represented multiple congressional staffers pursuing harassment claims through Congress's Office of Compliance.	Alexis Ronickher	DN Airts Monday -Friday weekly	
Friday	12/1/2017	The Business of Healthcare with Habane	Susan Montana/Habanero	1:00:00 PM	0:30:00	Womans' Rights : Opportunities for women and minority business owners with SUNY and New York State	Vanessa Best, CCS-P, CPC, AHIMA ICD-10 Trainer Precision HealthCare Consultants	Vanessa is a minority and woman small business owner and she's secured contracts in the healthcare business with a number of hospitals, including Stony Brook. She talked about how to get started, and how to be open minded when looking for opportunities because there are some unexpected and interesting projects out there. For example, one of her projects is to conduct independent patient surveys to help improve patient satisfaction.	

								First, we talked about what malpractice insurance is since most people have a very high level concept rather than understanding the details. We discussed the history in NY, which as in many things, is so different from the rest of the country due to NY's stringent insurance regulations. These regulations effectively limited a doctor's choices to 2 insurance carriers for malpractice insurance. In the past few years, these regulations have eased and there are now new options available.	
Friday	12/1/2017	The Business of Healthcare with Habane	Susan Montana/Habano	2:15:00 PM	0:30:00	Health care : Changes in Malpractice Insurance for New York Physicians	Wes Merritt is the President of Merritt Insurance Services

Friday	12/1/2017	Natural Alternatives	Captain Phil aka Phil Merkel	6:00:00 PM	1:00:00	Alternative Fuels specifically E-85 with Rhea Courtney Bozic Principal Scientist at Clean Fuels Consulting	Rhea Courtney Bozic Principal Scientist at Clean Fuels Consulting	We also discuss the St James Model Railroad display for the Holidays	
Monday	12/04/2017	Democracy Now	Amy Goodman	5-6pm	33:13:00	Economy : On Saturday morning, Senate Republicans passed a nearly 500-page tax bill that will have dramatic impacts not only the U.S. tax code, but also healthcare, domestic spending and even oil and gas drilling. The plan would cut taxes by nearly \$1.5 trillion. Major corporations and the richest Americans, including President Trump and his own family, would reap the most dramatic benefits.	Rep. Keith Ellison (D-MN.)	DN Airts Monday -Friday weekly	
Tuesday	12/05/2017	Democracy Now	Amy Goodman	5-6pm	21:53:00	Immigration : The Supreme Court handed a victory to President Donald Trump Monday, when it allowed his latest travel ban to go into effect even as legal challenges continue in lower courts. The administration can now fully enforce its new restrictions on travel from eight countries, six of them predominantly Muslim.	Lee Gelernt	DN Airts Monday -Friday weekly	
Friday	12/8/2017	Election Connection	Brandon Marshall	6:00:00 AM	2:00:00	Politics , Economy : The Republican Tax Bill	None	For approximately an hour and a half of the full 2 hour show, I spent my time discussing the impact of the tax bill proposed by the Republican Party in Congress on a variety of issues: growth, the deficit, wages, and the local Suffolk area. The other half hour talked about the #MeToo movement and sexual harassment.	
Monday	12/11/2017	Democracy Now	Amy Goodman	5-6pm	35:11:00	Sexual Harrassment Politics : Democrat Doug Jones and Republican Roy Moore are locked in a tight and increasingly controversial race to fill the Alabama Senate seat left vacant by Attorney General Jeff Sessions. The election is on Tuesday. A Democrat hasn't won a U.S. Senate race in Alabama for 20 years. Polling shows the two candidates are neck and neck, despite Moore being accused by at least nine women of sexually harassing or assaulting them when they were teenagers.	Peter Montgomery	DN Airts Monday -Friday weekly	
Tuesday	12/12/2017	Democracy Now	Amy Goodman	5-6pm	26:15:00	Sexual harrasment ,politics ,womans rights : Five senators are now calling on President Trump to resign over allegations that he sexually harassed or assaulted women, and 56 House lawmakers with the Democratic Women's Working Group are calling for a congressional investigation into the allegations.	Samantha Holvey	DN Airts Monday -Friday weekly	
Wednesday	12/13/2017	The Sounds of Film	Tom Needham	6:00:00 PM	0:30:00	Music : Music from Ken Burn's Vietnam	David Cieri	Composer spoke about working on Ken Burn's documentary Vietnam. He spoke about the process involved in writing music related to Vietnamese culture from that period.	
		Dialogos Radio	Michael Nevradakis	12-1PM	0:50:00	Economy : Global debt, Greek debt crisis	Eric Toussaint	Show is produced in Greece and USA by a Stony Brook U Alumni.Highlights Greek and Greek American Culture, economy and politics.	
Thursday	12/14/2017	Radio 631	DJ Disappearing	12:00:00 AM	3:00:00	Music Education : Visibility of the music of lesser-known electronic artists with the aim of strengthening my community in both global and local ways		I showcased new music from local artists (new york area) who do not get much airplay in the interest of accessibility to the larger long island community. many of these artists are poc/trans/queer or on independent music labels, so allowing them radio airplay is crucial.	
Tuesday	12/19/2017	Democracy Now	Amy Goodman	5-6pm	30:20:00	Human Rights,Environment,politics : In the face of mounting evidence of a vast undercount by the government, Puerto Rico Governor Ricardo Rossello has called for a recount of the death toll from Hurricane Maria. The government's official death toll stands at 64. But several investigations have revealed that nearly 1,000 more people died.	Omayra Sosa	DN Airts Monday -Friday weekly	

Tuesday	12/19/2017	Bustin' Out Blue	Joe Vignola and Kenny hahn	9:00:00 PM	3:00:00	Culture : Blues Music	No Guests this week	We Play Blues Music and discuss the musicians as well as touching on current events
