Title: Helping Your Daughter Embrace Her Inner Beauty

Length: 25minutes

Description: As a girl and young woman, Scarlet Hiltibidal struggled with feeling beautiful, accepted, and loved. Her mom was a well-known actress with lots of admirers; Scarlet felt plain by comparison. In this interview, she shares stories from her teen years such as her dad finding her "hottie" list where she identified cute boys at school, and the time she bought a dog tag so she could be like another girl she admired. She also shares about her eating disorder in college and how she realized she needed to confess what was going on in order to experience God's healing. In this interview, Scarlet will help educate parents about the beauty-and body-obsessed mindset that many teen girls adopt. She'll give insights and advice to parents on how to help their daughters counter negativity and know their identity in Christ.

Title Foster Care: Making a Difference During the Formative Years

Length: 28 minutes

Description: According to the Office of Administration for Children and Families, children whose parents are no longer in the picture will wait more than a year and a half until they are adopted. While most children have a healthy parental influence during their formative years, these kids are left lacking. Jon and Dawn Stone, authors of Missional Fostering, advocate for supporting these children through foster care. They discuss the dangers kids in foster care go through and how we as a church can make an impact.

Title: Screen Time: Less is More

Length: 26 minutes

Description: Screens...they're everywhere! In fact, you're using one right now. Here's an important question: are the screens that you're using improving your connections with other people? Or are you becoming more isolated? What about the screens that your children use? Join us to hear Jonathan McKee's perspective on how to trim down the screen usage that is distracting us from better things, like spending time with our family and the Lord.
