From: Bill Leftwich
EVP/CFO

Date: June 12, 2012

Topic: Chief Operator Designation

In accordance with FCC Part 73.1870- Radio Broadcast Services, each station must designate a person to serve as chief operator. The duty of this person is to determine and maintain the technical operation of the station in compliance with FCC rules and the terms of the station authorization.

Effective today, Lyle Hathaway, Broadcast Engineer, is designated Chief Operator for North Texas Public Broadcasting (NTPB) stations, which include KERA-DTV, KERA FM and KKXT FM. In his absence, Eddie Hedge will act as Chief Operator for NTPB.

Copies of this memorandum will be placed in the public files of both stations and posted with each station license.
