Downtown Alive! has another great concert lined up for this Friday night. The weekly free concert series will welcome Steve Adams, Lance Dubroc, and the 504 Horns to the stage at Parc International in Downtown Lafayette.

Lance Dubroc is a singer/songwriter native to St. Landry Parish. Possessing a dynamic voice which is one-part pain and one-part anointment, Dubroc gives credence to every song he touches.

Steve Adams has fronted for several legendary Louisiana bands including TK Hulin and the Boogie Kings as well as Ernie K-Doe, Jessie Hill, Erma Thomas, Tommy Ridgley, Oliver Morgan, and Alan Toussaint.

From the classic Stax horn styles of Otis Redding and Wilson Pickett, to the Funk Brothers groove of Motown, and traditional New Orleans brass sounds—the 504 Horns can do it all.

The concert is the main focus of Downtown Alive! but not the only draw. Here are the activities happening at DTA! aside from the music:

DTA! Happiest Hour starts at 5:00 PM with Agave Downtown's margarita on the rocks as the weekly drink special. Early arrivals will also have access to the limited availability

“Keep the Music Alive” souvenir cups from the beer booth. The cups are a unique reminder of the vital support that drink sales provide the free of charge Downtown Alive!

DTA! Kids Zone will have fun and educational activities provided by The Lafayette Public Library, Itz Pop-A-Licious, and MLR Magic. As always, Downtown Alive! is a family-friendly event. Parents can bring the young ones Downtown and let them have their fun while still enjoying the show.

DTA! Manger will feature satisfying meals from local businesses, perfect for fueling moves on the dance floor. Landry Brothers Catering returns this week with shrimp poboyos, burgers, and succulent pulled pork sandwiches—a DTA! crowd favorite.

Downtown Alive! will take a short, four-week break after this Friday’s concert. The series will return on Friday, May 10th with George Porter Jr. & the Runnin’ Pardners at Parc International. George Porter is a New Orleans funk legend and the former bassist for The Meters. This is a show you don’t want to miss so make plans to join your friends Downtown on May 10th!

### **OPELOUSAS SPRING MUSIC AND MARKET**

He began to learn other instruments and became a drummer with the Zydeco Blazers, later moving on as the accordion player for the group. As his confidence grew and his style developed, a loyal following of fans began to grow and the group became a popular local hit in Louisiana & Texas.

### **Youth Council Makes a Difference**

The St. Landry Chamber Youth Leadership Council (YLC) is excited to announce the completion of their Litter Letter Project. YLC is a group of gifted students who come together to serve and improve the community. The Council is sponsored by the St. Landry Chamber of Commerce. This year, the YLC selected the Litter Letter project as their annual service project. The letters will serve as a reminder to the community on the importance of recycling and keeping our planet healthy.

Several businesses throughout the parish including Java Square, Barczyk Chiropractics, St. Landry Parish Tourism, the Town of Port Barre, Lastrapes Garden Center, Nature's Health Shoppe, Morrow, Morrow, Ryan, Bassett, and Haik, and Williams Progressive Life Insurance Company have assisted with the collection of plastics for the project. Many community members have also collected plastics individually to contribute to the project. The plastics will be used to form six foot tall displays in the shape of a, "100," "300," and two O's. The "100" will be placed at the St. Landry Parish Chamber of Commerce to commemorate the Chamber's 100th anniversary as well as to serve as a reminder to focus on keeping our community clean. The two O's will be placed at the North and South City Parks to raise awareness for recycling and to show the beauty of nature in which we are safeguarding. Lastly, the "300" will be placed at Le Vieux Village to commemorate three hundred years since the founding of Opelousas as well as to demonstrate the commitment to the preservation of our community.
