| COUNTRY MOUSE, CITY MOUSE | The much-loved children's fable comes to television in a brand new way, full of mysteries, adventures and characters with a unique mouse perspective on the world. Come along with Emily, the practical Country Mouse, and her sophisticated City Mouse cousin, Alexander. These two affable travelers visit friends and family around the globe; stumbling across mastermind criminals, royalty, famous inventors, artists and an array of fellow adventurers. Each adventure is based on a real event that took place at the beginning of the 20th century. | TV-Y | K4-8 |
| WIMZIE'S HOUSE | Come spend a 'day in the life' with the monsters at Wimzie's house and you'll never want to go home. It's the magical kind of daycare that leads to delightful adventures for the pre-school child. All of the characters are wild and woolly on the outside but definitely human on the inside. After spending a half hour in this very special home away from home, no one will leave the world of Wimzie unchanged. It is the world where the real and the imaginary come together, where self-esteem is the order of the day, where the emotions and the relationships of today's preschoolers, who are growing up to be ten in the year 2000, are on the top of the list of story material. Five year old Wimzie and her mother Graziella, an airline pilot, live in Yaya's house as does Rousso, Yaya's best friend, even if Yaya is at least one hundred years and fifty years old (and counting) and Rousso is much more than a hundred years her younger. Graziella is more than ecstatic to have found a warm and comfortable home as well as a loving environment for her daughter, Wimzie, while she is often her somewhat unorthodox work schedule flying around the world. It is within this setting that we | TV-Y | K3-5 |
| LIBERTY'S KIDS | This exciting series thrusts the viewer into the dramatic fray of the War of Independence, as seen through the eyes of two kids who've been taken in and given jobs as roving reporters by the Renaissance man of the Revolution, Ben Franklin. British teen Sarah sees both sides of the war and doesn't like either, while American teen Gregory is a passionate defender of freedom and liberty. French orphan Henri, who's also taken in by Ben, may be younger than his new 'big brother' and 'big sister', but he often sees most clearly. The series is packed with action, yet it confronts moral decisions head on. It's not concerned with the politics of history, but uses the drama of the events as a backdrop for the conflicts faced by its protagonists. | TV-Y7 | K7-12 |
| HORSELAND | The animated adventures of four amazing kids and their horses come together in an incredible place called Horseland. As these friends strive to become the best competitive riders they can possibly be, the kids and their equine companions must learn to deal with difficult situations and confront an array of problems that put their honesty, integrity, self-confidence and sometimes even their friendship to the test. | TV-Y7 | K9-11 |
| GREEN SCREEN ADVENTURES | Green Screen Adventures sparks enthusiasm for writing through age-appropriate sketch comedy, original songs, puppetry, and story theatre. The stories are based on the writing of elementary school students, ages 7-13. Children get the message that their words have power, that their voices are being heard. Our diverse Green Screen company of performers and writers reinforce critical writing skills and share positive social messages. Our educational mission emphasizes the four "C's" as well as the three "R's" - Curiosity, Confidence, Citizenship, Compassion. | TV-Y7 | K7-13 |
