1:47	SEGMENT 1: A PANDEMIC EDUCATION: IT CONTINUES ON INTO 2021	10:01
	<p>Synopsis: It's been ten months since many schools across the nation shifted to online learning. Students, parents and everyone working within education have braved the many challenges of learning within a pandemic. With vaccine distribution underway, many within the field are seeing the light at the end of the tunnel and the eventual return to classrooms hopefully later this year. We speak with two education experts about the changes happening in the field as technology plays a bigger role.</p> <p>Host: Gary Price. Guests: Taylor Good, 3rd Grade Teacher, Manheim Township School District; Trenton Goble, former teacher and principal, vice president, K-12 product strategy at Instructure, author, <i>Reclaiming the Classroom: How America's Teachers Lost Control of Education and How They Can Get It Back</i>.
