Hamilton County Fair - COVID im	News stories	7/11-28/2020	5a to 6p	5 minutes	<p>Much like the Wright Co Fair, the Hamilton Co Fair was cancelled in 2020. During the week prior to the fair, and throughout the intended schedule, news stories were shared keeping listeners informed about the impacts. The Wright County Fair was cancelled due to COVID. In the days leading up to when the fair should have been and through the typical duration of the fair, news stories about the modifications kept the county informed Webster City escaped the derecho that hit much of central and eastern Iowa on August 10. There were some scattered power outages and crop damage but fortunately no structure damage or injuries due to the storm. Stories including information about how to sign up for absentee, or early voting, along with clarification on all the mail being received by our listeners</p>
