TxDOT LAUNCHES 'HEADS UP, TEXAS' CAMPAIGN TO CURB DISTRACTED-DRIVING CRASHES

*TxDOT partners with AT&T It Can Wait to educate Texans on statewide law, dangers of
distracted driving*

 [Share This](#)

 [Tweet This](#)

April 4, 2018

AUSTIN – April is National Distracted Driving Month and with nearly 1 in 5 crashes in Texas involving distracted driving – a ratio that has not changed in the past three years – the Texas Department of Transportation reminds drivers that their undivided attention to the road could save a life.

“It’s extremely concerning that drivers still choose to give their attention to things other than the road when they’re behind the wheel,” said TxDOT Executive Director James Bass. “As a society, we’re more connected than ever to our devices and easily tempted to multitask, but drivers need to understand all of these various distractions can lead to a tragic outcome.”

In 2017, 19 percent of vehicle crashes on Texas roads involved distracted driving. Those 100,687 crashes resulted in 444 deaths and 2,889 serious injuries. In an effort to curb distracted-driving crashes, TxDOT is launching its new “Heads up, Texas” campaign in partnership with AT&T *It Can Wait*. The centerpiece of the campaign is a 19-city, distracted-driving virtual reality experience launching in Waco on April 4.

According to AT&T *It Can Wait*, the majority of Texans ages 15-54 admit to driving distracted because of their smartphone. Additionally, nearly all Texans surveyed consider smartphone distractions to be dangerous while driving, but nearly 9 out of 10, or 89 percent, admit they do it.

“The *It Can Wait* campaign shares a simple message: Distracted driving is never OK,” said Ryan Luckey, assistant vice president of Corporate Brand Marketing for AT&T. “We’re proud to join TxDOT in sharing that message with Texans through revealing survey data and events that highlight the dangers and the new law.”

Effective Sept. 1, 2017, a texting-while-driving ban was written into law making it illegal to read, write or send a text while driving in Texas. Violators can face a fine up to \$200. Though texting while driving is now punishable by law, it’s not the only smartphone activity putting Texas drivers and passengers at risk. Among those Texans surveyed by AT&T *It Can Wait*, the top 5 smartphone distractions while driving are:

- Texting
- Snapping/viewing photos
- Playing music
- Emailing
- Accessing social media

To learn more about TxDOT’s “Heads up, Texas” campaign, visit txdot.gov/driver/share-road/distracted.html.

OPD Response to Alcohol Related Crashes

In a recent release by Sutliff & Stout, a law firm out of Houston, TX, Odessa was claimed to have the highest rate in the State of Texas for DWI related fatality crashes. This study was compiled using the Texas Department of Transportation's Crash Query Tool, where they pulled all data for Alcohol Involved Crashes over the last 5 years for each city with a population over 50,000. This study then calculated an average of fatalities involving alcohol from the past five years, divided it by the total population (they estimated Odessa at 115,000), and then divided by 100,000 to get their per 100k total.

The Odessa Police Department is concerned about public safety on our roadways, and have ramped up DWI enforcement within our jurisdiction to try and lessen these numbers. The best enforcement; however, relies upon the safety and discipline of our citizens and those that visit our city for business and entertainment. The public can lower the number of fatality crashes in Odessa by being smart after having an alcoholic beverage to drink.

First, always have a sober driver to transport you where you need to go. Second, do not allow an intoxicated person to operate a motor vehicle. The Odessa Police Department is available to assist in the occasion that a person is refusing to take a safe, sober ride home. When in doubt, call 911 to report intoxicated driver incidents. If you are present at an establishment that sells alcoholic beverages, and it appears that they are over-serving customers, report it immediately to the police.

The table below provides DWI arrest statistics and crash data within the Odessa city limits during the last 5 years.

	2013	2014	2015	2016	2017	2018*	Avg. Per Year
DWI Arrests	462	583	664	667	666	187	608.4
Crashes	2,572	2,320	2,521	1,970	2,662	979	2,409
Crashes Involving Alcohol	94	135	74	62	66	9	86.2
Crashes with Injuries	503	735	750	653	727	201	673.6
Fatality Crashes	16	20	13	7	15	6	14.2
Fatal Crashes Involving Alcohol	5	9	6	4	8	2	6.4

*2018 numbers are from January 1, 2018, through March 31, 2018.

Cornyn Statement on Former First Lady Barbara Bush

WASHINGTON – U.S. Senator John Cornyn (R-TX) issued the following statement on the passing of former First Lady Barbara Bush:

“Barbara has blessed this nation with her unwavering service, strong moral compass, and trademark sense of humor,” said Sen. Cornyn. “Eternally devoted to her faith, family, and country, her legacy in promoting literacy will live on in the families she touched and young minds she helped cultivate. Sandy and I join Texans and the nation in prayer for the entire Bush family tonight.”

Various Road Closures

Various streets in the area of Dixie between 42nd and 52nd will be temporarily closed to through traffic

Post Date: 05/07/2018 3:32 PM

Installation of an 18 inch water line in the area of 52nd Street and Dixie will cause various road closures. The following roads are expected to be closed to through traffic for the following week:

- Dixie between 52nd and 42nd Streets
- 50th Street between Dixie & McKnight
- 51st Street between Dixie & Everglade
- 49th Street between Dixie & McKnight
- 49th Street between Dixie and Cordova
- 48th Street between Dixie & McKnight
- 47th Street between Dixie & McKnight
- 46th Street between Dixie & McKnight
- 45th Street between Dixie & McKnight
- 43rd Street between Dixie & McKnight
- Gage between Dixie & Everglade

Access to the apartments on Dixie and Gage will be allowed.

Drivers are reminded to obey all traffic signs and signals and to use extreme caution in construction areas. To avoid delays, drivers are encouraged to identify alternate routes.

Cornyn Introduces SNAP Work Requirement Amendment to Farm Bill

WASHINGTON- U.S. Senator John Cornyn (R-TX) joined Senators Thom Tillis (R-NC) and Dean Heller (R-NV) to introduce an amendment to the Senate Farm Bill that would add work requirements for recipients of the Supplemental Nutrition Assistance Program (SNAP) who meet certain criteria and would create a revised process for compliance.

“SNAP provides necessary benefits to many hardworking Americans struggling to make ends meet, but recipients gaming the system take funds away from those who truly need them,” said Sen. Cornyn. “This amendment will safeguard taxpayer dollars by encouraging these nutrition programs go to those with the most need.”

Background:

The amendment to the Farm Bill would:

- Require nondisabled SNAP recipients ages 18-59 without dependents under age 6 to work or participate in employment training programs 20 hours per week.
- Expand qualifying work programs to include apprenticeships, time-limited unpaid or volunteer work, and state approved work training programs.
- Establish a revised ineligibility process allowing one month for initial compliance and requiring a 12-month ineligibility period for the first work requirement violation and a 36-month ineligibility period for subsequent violations unless an individual obtains sufficient employment or is no longer subject to the work requirements at an earlier time.
- Allow two years for implementation and give the Secretary discretion to allow states more time if necessary.
- Allow states to opt-out of enforcing updated requirements in exchange that states are no longer eligible for cost share of their administrative cost of administering the SNAP program.
- Make no adjustments to funding for SNAP benefits.
