KCBS-TV, Los Angeles, California
CBS Broadcasting Inc.

Dear Sir or Madame:

In order to comply with the requirement of the FCC's network non-duplication rules that non-duplication rights granted by a television network be embodied in a writing signed by the network and the affiliate television station exercising such rights, this letter agreement sets forth the terms and conditions under which KCBS-TV ("Station"), a CBS Television Network ("CBS") affiliate owned and operated by CBS Broadcasting Inc., may exercise such network non-duplication rights with respect to CBS network programs ("Network Programs").

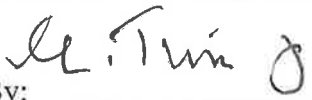

(a) Station's "Network Exclusivity Zone" shall mean as much of its Designated Market Area, ("DMA"), as then defined by Nielsen Media Research, as is included in the zone within thirty-five (35) miles of Station's community reference points, as defined by Sections 73.658(m), 76.51 and 76.53 of the FCC's rules.

(b) Station shall be entitled to exercise, within its Network Exclusivity Zone, the protection against duplication of network programming, as provided by Sections 76.92 through 76.95 of the FCC's rules, with respect to a Network Program during the period beginning one (1) day before and ending seven (7) days after the transmission of such Network Program by CBS to Station: Provided, however, that such right shall apply only to Network Programs broadcast in the live time period as offered or on no more than a one day delay as accepted by CBS.

Please accept and acknowledge the foregoing by signing in the space indicated below and returning the enclosed copy of this letter.

Very truly yours,
