Duration: 2 hours

Synopsis: Topics Discussed on Today's Program:

Topic: Today on Frances and Friends, Sister Swaggart and panel discuss growing problems with illegal immigration at the US border and its growing threats to America. While we are not anti-immigration, we need to bring people in legally, and vet everyone and assimilate them accordingly. The panel explains Hebrews chapter six and what happens at salvation, and how one can walk away from their salvation. This can happen if we reject what Christ did for us at Calvary, and now trod on the blood of Jesus and deny what we once believed. The panel discusses faith and free will to love, or not love the Lord and how the parables of Christ explain true biblical doctrine. Jesus used parables to help His followers to understand.
