Sole Survivor

Lisa Stasi and her 4-month-old daughter, Tiffany, mysteriously vanished in Kansas City, Missouri in 1985. When police charged serial killer John Robinson in 2000 with murdering Stasi, discovered John took Tiffany, forged adoption papers and gave her to his brother and sister-in-law who, knowing nothing of the true circumstances, thought it was a legal adoption and renamed her Heather Tiffany Robinson. Now, almost 20 years since Heather learned her real identity, she is ready to tell her story to “20/20” co-anchor Amy Robach.

Over My Dead Body

“20/20” cameras go inside the courtroom as Sigfredo Garcia and Katherine Magbanua approach the end of their trial for the murder of law professor Dan Markel, found shot in his garage following a bitter divorce and custody battle with Wendi Adelson, his ex-wife. The trial comes after Sigfredo’s friend Luis Rivera pleaded guilty to second-degree murder. Luis told police that Sigfredo solicited him to help Katherine, the mother of Sigfredo’s children, in a murder-for-hire plot targeting Dan. “20/20” also reports the prosecution’s allegation that Charles Adelson, Wendi’s brother, spearheaded and funded the plot. Chief national correspondent Matt Gutman reports.

Undercover Girlfriend

In June 2017, University of Illinois scholar Yingying Zhang vanished on her way to sign a lease for a new apartment and was never seen again. “20/20” unravels the mysterious case including the disturbing role Brendt Christensen, a university teaching assistant and physics PhD candidate, played in Yingying’s disappearance. “20/20” reveals how his girlfriend worked with the FBI to go undercover and secretly record a confession that ultimately cracked the case wide open. ABC News correspondent Bob Woodruff reports.

Friday, November 22, 2019

Holloway

A two-hour “20/20” exclusively travels to Aruba with Beth Holloway; her first extensive trip back to the island in nearly ten years after her daughter, Natalee Holloway, disappeared while on vacation there almost 15 years ago. ABC News’ “20/20” documents Beth’s emotional journey as she revisits places where she desperately searched for Natalee and reunites with Alberto Groeneveldt, who met her when she first arrived in 2005 and guided her around the island helping her try and find out what happened to Natalee. Beth also opens up to “20/20” about life now and reflects on her journey since Natalee disappeared.

Saturday, November 23, 2019

Anonymous

“20/20” documents the emotional journey of Eve Wiley as she searches for her biological father. Eve was conceived with the help of a sperm donor and thought she found her father 14 years ago when she was united with “Donor 106” from the sperm bank’s records, and the two formed a loving father-daughter relationship. But, recently, as Eve searched DNA websites for siblings, she was shocked to discover that “Donor 106” wasn’t her father; instead, her biological father is her mother’s former fertility doctor. ABC News consultant CeCe Moore and ABC News investigative correspondent Kyra Phillips help Eve uncover startling revelations.

Friday, November 29, 2019

Switched At Birth

ABC News’ “20/20” features a new interview with Kimberly Mays 30 years after she discovered she was switched at birth. “20/20” unravels the story, shedding new light on lingering questions about how the switch occurred and whether or not it was an accident. Kimberly opens up for the first time about Arlena, the baby switched with Kimberly at birth who died at age 9 following heart surgery.

Saturday, November 30, 2019 (Pacific Time Zone ONLY)

Innocent

“20/20” reports on the controversial 2012 murder of Jaime Melgar who was stabbed inside his bedroom during what initially appeared to be a home invasion. His wife, Sandra, claims she blacked out during the incident, possibly due to a seizure, and did not see or hear her husband being brutally attacked. But in 2017, Sandra was convicted of killing Jaime, shocking her and her family. ABC News chief national correspondent Matt Gutman reports the details and sits down with Lizz Rose, daughter of Sandra and Jaime, who firmly believes her mother is innocent.

Saturday, December 7, 2019 (Pacific Time Zone ONLY)

Teen Abduction

In October 2013, 14-year-old Abby Hernandez disappeared on her way home from school without a trace. Nine months later, the New Hampshire teen returned home with a harrowing story of kidnapping, captivity and unspeakable abuse. Mostly silent for nearly five years since she disappeared, Abby tells her story for the first time to ABC News correspondent Deborah Roberts. (OAD: 9/07/18)

Friday, December 13, 2019

The Hitman: From Pop to Prison

Lou Pearlman managed some of the most successful bands of the past 25 years including Backstreet Boys, *NSYNC and O-Town, but underneath Pearlman’s successful and charismatic façade was a criminal. ABC News’ “20/20” dives into his past including his role in running one of the biggest Ponzi schemes ever, swindling investors and banks out of hundreds of millions of dollars; and the lawsuits brought against him – by almost all musicians he managed – for fraud and misrepresentation.

Hustlers

In 2013, a wealthy cardiologist went on three dates with a young woman who claimed to be a nursing student. Each morning following the dates, he woke up with limited memory of the evening before. After date No. 3, he received a call from his credit card fraud department flagging \$135,000 worth of charges at a New York City gentlemen’s club. Following a sting operation, authorities unraveled the details of an extraordinary scam led by former strippers who secretly drugged and robbed wealthy men, and the cardiologist who said a substance was slipped into his drink on the dates, causing him to lose memory. (OAD: 9/13/19)
