Internship	01/01/19-03/01/19	Radio Medford has an active internship program to assist individuals interested in persuing a carreer in broadcasting. We recently had a local High school student shadow in all parts of our station for a high school project. While here, she was able take part in everything it takes to make a Radio group run and be successfull. Mostly, she was exposed to Sales, Marketing and Digital Platforms. She also spent time with our on air staff, becoming familiar with various programming functions of the radio station.
