October 7, 2023	U.S. Student Athletes Share Faith Today (25 minutes)	<p><u>Host:</u> Jenny Burkhiser <u>Guest:</u> Jeff Martin, Executive Vice President of Strategic Partnerships, <i>Fellowship of Christian Athletes</i>, (Kansas City, MO). www.fca.org; www.fieldsofffaith.com <u>Description:</u> The leading edge of Gen Z has turned 25 years of age, which means this cohort is starting to graduate from college, obtain jobs, vote, rent apartments—and walk into church. But Generation Z is the least religious generation in the United States: about 44% of Gen Z adults identify as atheist, agnostic, or have no specific religious affiliation, while only 35% identify as Christian. Notably, Generation Z Christians are “missionaries” to their own generation, with 82% of such teenagers reporting having shared about God in the last year. The Fellowship of Christian Athletes’ (FCA) vision is to see the world transformed by Jesus Christ through the influence of coaches and athletes growing in Christ and His Church. This year, FCA is hosting its <i>Fields of Faith</i> events, offering an athletic field as a neutral rallying point for a community of faith believers where side by side, student athletes invite, pray for, share with, and challenge their peers to read the Bible and follow Jesus Christ.</p>
October 14, 2023	Showing Care & Support for Your Pastor (25 minutes)	<p><u>Host:</u> Jenny Burkhiser <u>Guest:</u> Brian Kluth, National Spokesperson for the <i>Bless Your Pastor Movement</i>, (Golden, CO). www.blessyourpastor.org <u>Description:</u> Called shepherds of their flocks, those serving as pastors to care for the people of God have a high calling that comes with many demands: from church service preparations and attending to the numerous spiritual needs of the congregation to comforting and serving those who have lost loved ones. Sadly, the number of pastors seriously considering quitting full-time ministry has risen dramatically in recent years, citing stress of the job, loneliness and isolation, current political divisions, family problems, and financial strain, as many churches have limited budgets and are often not able to compensate their pastors or church staff very well. That’s why the <i>Bless Your Pastor Movement</i> was created to mobilize Christians and churches everywhere to show and share God’s love for their pastors and church staff even as churches work toward better compensation.</p>

October 21, 2023	Comforting Israel Crisis-Impacted (25 minutes)	<p>To better love and care for pastors and church staff, go to BlessYourPastor.org to give your pastor various blessings.</p> <p><u>Host:</u> Jenny Burkhiser <u>Guest:</u> David Parsons, Vice President & Senior International Spokesman, <i>International Christian Embassy Jerusalem</i>, (Jerusalem, Israel). https://icejusa.org/ <u>Description:</u> Deadly terrorist attacks in Israel have resulted in a tragic and volatile situation. As Israel goes through its greatest trial in modern history, how can we respond biblically, praying for the peace of Jerusalem? The International Christian Embassy Jerusalem was established in 1980 in recognition of the biblical significance of all of Jerusalem and its unique connection with the Jewish people. Their goal is to stand with Israel in support and friendship, equip and teach the worldwide church regarding God's purposes with Israel and the nations of the Middle East, be an active voice of reconciliation between Jews, Christians, and Arabs, and support the churches and congregations in the Holy Land. With so many Jewish people living in unthinkable conditions right now in Israel and around the world — including innocent children, families, and elderly Holocaust survivors — generous donations can help The Fellowship provide basic necessities like food, medical assistance, and shelter as well as safety and security provisions. Americans with Jewish neighbors were encouraged to support their local synagogues and Jewish neighbors in these difficult times with a Christian testimony of comfort and love.</p>

What did he do for courage? He wrote the hymn, “A Mighty Fortress Is Our God” with the timely words, “<i>Christ Jesus...must win the battle.</i>” Has God ever encouraged your heart with a special worship song at just the right time? Ron shared how Christian music is the best music in the world, supporting our faith, mental health, and overall health. That’s why they are working to preserve worship songs for future generations. November 4, 2023	The US Gas Market and Conservation: Lowering Pump Pain (25 minutes)	<u>Host:</u> Jenny Burkhiser <u>Guest:</u> Scott Angelle, former U.S. Bureau of Safety and Environmental Enforcement Director and Founder of USA Energy Workers, (Lafayette, LA). https://usaenergyworkers.com/ <u>Description:</u> Thanksgiving and Christmas are supposed to be times of gratitude and joy—not stress and anxiety. However, inflation-battered drivers will have to dig deeper into their wallets to afford the cost of this year’s holiday road trips with friends and family as gasoline prices are on the rise yet again and the cost of nearly everything is up thanks to increasing inflation. With the average price for a gallon of gasoline is \$3.82 – 60 cents higher than at the beginning of 2023, how can one best plan ahead to enjoy creating memories with loved ones without the needless worry? Tips to conserve fuel include planning for trips, pack light, do not needlessly idle a vehicle with it running, clean or replace the air filter, and limit high speed, starts and stops. Scott maintained that there is a need for more American-produced and generated energy, with superior climate and environmental metrics as derived from USA Energy Workers. His perspective was to balance the 3Es: Environment, Energy, and Economy, encouraging American energy policy that includes traditional and renewable energy resources that support US energy workers, Americans in poverty and on fixed incomes, and the economy.
November 11, 2023	Saving Lives, Restoring Families, & Changing Legacies of American Veterans through Christ (~40 minutes)	<u>Host:</u> Jenny Burkhiser <u>Guest:</u> Brandon Kunath, American Combat Veteran and National Programs Director, Mighty Oaks Foundation, (Magnolia, TX). https://www.mightyoaksprograms.org/ <u>Description:</u> Jesus Christ can change a legacy forever—no matter how broken. Branden Kunath shared his own story and how to be a part of changing legacies for veterans—lives saved and families restored as they become “mighty oaks” rooted in God’s Word.

		<p>Post-traumatic stress can occur following a life-threatening event like military combat, natural disasters, terrorist incidents, serious accidents, or violent personal assaults. People who suffer from PTSD often suffer from nightmares, flashbacks, difficulty sleeping, and feeling emotionally numb. Members of the military exposed to war/combat and other groups at high risk for trauma exposure are at risk for developing PTSD. Among veterans returning from the current wars in Iraq/Afghanistan, PTSD and mild to moderate traumatic brain injury (TBI) are often linked and their symptoms may overlap. The physical changes that take place in the body and brain following trauma are beginning to be understood, but most treatments for these changes are still experimental. This makes it difficult to “hold on” until hope can be found for many veterans. The Mighty Oaks Foundation is committed to serving the brokenhearted by providing intensive peer-based discipleship through a series of programs, outpost meetings, and speaking events, hosting Mighty Oaks Warrior Programs for men and women, as well as Marriage Advance Programs. The Warriors who attend are fully sponsored for training, meals, and lodging needs to ensure that upon arrival to the ranch, each Warrior is focused solely on recovery and identifying purpose going forward.</p>
November 18, 2023	<p style="text-align: center;">Building a Family Economy for Strong Households, Communities, Society, & Earth Stewardship (35 minutes)</p>	<p><u>Host:</u> Jenny Burkhiser <u>Guest:</u> Ray Simmons, Pastor of Ascension Reformed Church and Author of <i>The Confessional County: Realizing the Kingdom through Local Christendom</i>, (Montgomery County, IA). https://gatherandgrow.us/ <u>Description:</u> As we are celebrating Thanksgiving in a few weeks, we will be remembering the Pilgrims as well as revisiting the stories and history of our American forefathers and families. Today, moral values and families are declining, even as record inflation, homelessness and crimes such as flagrant shoplifting are seen. The Scripture notes that the home is the focus of discipleship and fathers are key to this, however, about 41% of children in America are born without present fathers. Division in the family and lack of spiriting maturity shows a struggling community, along with children showing a consumer mindset or the lack of understanding the biblical laws of harvest. 		<p>Economy was defined as productive families that are unified and complementary, practically providing for the needs of the family and producing things as distinguished from the individual or corporate economy where the family is fragmented and each goes to his own place through the day. Children are part of serving and helping in age-appropriate ways. The husband and wife work together in a family economy per Genesis 2. While the Industrial Revolution had many positives, it moved fathers from the home during the most productive hours of the day and machinery took the place of the family helping each other. Deuteronomy 6 is a very good picture of the blessings of being in a covenant community, family, or church. For example, Pastor Simmons has built a family economy through a construction business; while he makes bids for jobs, his sons perform the construction and his daughter is responsible for accounting. Pastor Simmons advised to start your own family economy to be self-sufficient, including family devotions in the evenings for family discipleship. Grandparents can teach their grandchildren and multigenerational family unit is biblical and early puritans were interdependent and formed a microeconomy. He shared how one family has opened a store with the mother and kids homeschooling in the back while the father maintains the store. There are practical steps that parents and even grandparents can take now to build a successful and God honoring “family economy” model of the pilgrims and puritans – including bee keeping, raising chickens, and growing your garden.</p>
